AN ACT to amend the insurance law, in relation to requiring all motor vehicle insurers to file annual financial statements and detailed claim data with the superintendent of financial services

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. This act shall be known and may be cited as the "automobile  
2     insurance sunshine act of 2014".  
3     S 2. Legislative intent. The legislature hereby finds and declares  
4     that insurance companies issuing motor vehicle policies in this state  
5     owe a duty to the consumers they insure and to those who may in the  
6     future be insured by them, to fully disclose in a public and transparent  
7     manner all elements relating to their financial condition and solvency.  
8     Automobile use and operation is a cornerstone of modern life; in fact,  
9     auto insurance is the only coverage most New Yorkers are required by law  
10    to purchase. New York's consumers have a right to know the details and  
11    specifics of the factors and circumstances behind the financial solvency  
12    of their insurer as well as the bases for the rates they are required to  
13    pay to retain their legally mandated coverage. The determination of auto  
14    insurance premiums in New York has, unfortunately, gone on too long in  
15    obscurity, with those who bear the premium rates unable to learn reasons  
16    why they are set where they are. As a matter of public trust, automobile  
17    liability insurers should make public the pertinent facts related to  
18    their premium determinations and financial solvency. It is the sense of
