2013-2014 Regular Sessions

I N S E N A T E

(PREFILED)

January 9, 2013

Introduced by Sen. PERKINS -- read twice and ordered printed, and when printed to be committed to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the New York state urban development corporation act, in relation to the small business regional revolving loan trust fund and the small business regional revolving loan program

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Statement of legislative intent. The legislature hereby
2 finds and declares that small businesses are the economic backbone of
3 the state and the source of a majority of new jobs. The legislature
4 further finds that such businesses often have difficulty obtaining small
5 amounts of capital from traditional banking organizations that is neces-
6 sary to start-up, improve, or expand operations. State assistance in the
7 form of loans to meet such capital gaps would enable the formation and
8 expansion of small businesses across the state and, thus, provide job
9 opportunities to the state's citizens. The legislature further finds
10 that the existing regional revolving loan program of the state urban
11 development corporation demonstrated that it is more efficient and
12 effective to provide such loans through regional not-for-profit corpo-
13 rations that are knowledgeable about local businesses and economic
14 conditions. Therefore, it is the intent of the legislature to improve
15 job opportunities in the state by revitalizing the urban development
16 corporation's regional revolving loan program and re-naming it the small
17 business regional revolving loan program.

18 S 2. The New York state urban development corporation created by chap-
19 ter 174 of the laws of 1968 is hereby directed to audit, pursuant to
20 subdivision 19 of section 16-a of section 1 of the urban development
21 corporation act, each existing regional corporation administering a
22 small business regional revolving loan fund and to either recertify such
23 regional corporation or decertify such regional corporation and competi-
24 tively select a successor corporation to administer the small business
25 regional revolving loan fund. In the case of regions that do not have a

5 corporation act, to administer small business regional revolving loan
6 funds. The corporation shall select from the proposals received the most
7 qualified applicant in each region pursuant to subdivisions 4, 5, and 6
8 of such section 16-a. If there is no applicant or no qualified applicant
9 in a region of the state, that region shall not participate in the small
10 business regional revolving loan fund program. The corporation, from
11 money available for this purpose, shall allocate funds to each regional
12 corporation pursuant to subdivision 1 of such section 16-a.

13 S 3. Section 16-a of section 1 of chapter 174 of the laws of 1968,
14 constituting the New York state urban development corporation act, as
15 amended by chapter 477 of the laws of 2002, subdivisions 20 and 21 as
16 amended by chapter 524 of the laws of 2005, is amended to read as
17 follows:

24 not commingle the monies of such fund with any other monies of the
25 corporation or any monies held in trust by the corporation.

26 (2) The corporation shall allocate any monies made available for such
27 fund for the purpose of making grants to regional corporations. The
28 grants shall be allocated as follows:

31 regions with the greatest levels of economic distress as determined by
32 poverty rates, number of persons receiving public assistance, unemploy-

34 economic distress as the corporation deems appropriate; and

35 (c) in the event a regional corporation advises the corporation that

38 corporation equally among the other regional corporations.

39 (3) In accordance with the rules and regulations of the corporation,
40 each regional corporation shall establish two special accounts for
41 monies received by the regional corporation pursuant to the provisions

44 a loan fund account; any interest earned by the regional corporation on
45 loans will be deposited in a separate interest repayment account. A
46 regional corporation shall be authorized to provide financing assistance
47 to eligible projects. Any interest earned from its loans may be used by
48 a regional corporation for the cost of administering the programs
49 authorized by this section.

11 to the regional corporation for financial assistance pursuant to this
12 section, shall determine the feasibility of the transaction proposed in
13 the application and shall recommend to the board of directors or other

15 deems appropriate.

16 (5) Applications to the corporation for certification or recertif-

45 region.

46 (6-a) The corporation shall, every five years, recertify that each
47 regional corporation has complied with the terms and conditions of this
48 section. In the event a regional corporation is not recertified, or its
49 certification is withdrawn pursuant to subdivision nineteen of this
50 section, then the corporation shall give written notice to such regional
51 corporation which shall thereafter neither make new loans nor undertake
52 new obligations except upon written approval of the corporation. The
53 corporation may thereafter certify another regional corporation in the
54 manner provided in this section for the selection of regional corpo-
55 rations. Upon the certification of a successor regional corporation, all
56 remaining loan funds, records and accounts of the regional corporation

1 not recertified shall be transferred to the corporation and the regional
2 corporation not recertified shall cease to function pursuant to this
3 section. The corporation shall transfer returned funds to a successor

21 shall be final. No member of the board or other governing body of a
22 regional corporation shall participate in a decision on a project appli-
23 cation when such member is a party to or has a financial interest in
24 such project. Any member who cannot participate in a decision on a
25 project application for such reason shall not be counted as a member of
26 the board or other governing body for purposes of determining the number
27 of members required for a majority vote on such application.

28 (9) No employee or officer of any regional corporation shall be a
29 party to or have any financial interest in any project that receives
30 financial assistance pursuant to this section.

35 ration or employing persons who live in such areas;

36 (c) of minority or women-owned enterprises or enterprises owned by
37 dislocated workers, such workers as defined in the Workforce Investment
38 Act (P.L. 105-220); and

39 (d) of businesses in the early stages of development that have been
40 denied access to credit.

7 provided in this section, may also apply for and accept funds from any

11 (12) The funds of each regional corporation derived pursuant to this
12 section may be used to provide loans for working capital for eligible
13 projects; provided that the amount of the loan does not exceed ninety
