AN ACT to establish a temporary state commission to study child abuse prevention and make recommendations for the implementation of child abuse prevention programs across the state; and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings. The legislature hereby acknowledges
2 that child abuse is a continuing societal problem in the state affecting
3 at least 80,000 children each year. In recent years, there has been
4 research on the long-term effects of child abuse on the individual as
5 well as society. The vast majority of research has demonstrated that the
6 consequences of child abuse are grave, damaging and often spill over
7 into a person's adult life. Adverse effects have been identified in
8 maltreated children's physical, cognitive, emotional and social develop-
9 ment.
10 Furthermore, the legislature finds that the failure to address child
11 abuse through preventive measures not only harms a million children each
12 year in this country, it imposes a tremendous cost to society. Like most
13 states, New York spends a considerable amount of fiscal and human
14 resources to treat the numerous consequences of child abuse and
15 maltreatment. The failure to invest in prevention results in a signif-
16 icantly greater amount of resources needed to treat the outcomes.
17 S 2. A temporary state commission, to be known as the "commission of
18 child abuse prevention", is hereby established to examine, evaluate and
19 make recommendations concerning child abuse prevention efforts in the
20 state. The commission shall consider the need for additional legislation
21 as well as a stable source of funding for child abuse prevention
