1 or any district, board or agency with jurisdiction exclusively therein
2 the use of best value for awarding a purchase contract or purchase
3 contracts must be authorized by local law or, in the case of a district
4 corporation, school district or board of cooperative educational
5 services, by rule, regulation or resolution adopted at a public meeting.
6 In any case where a responsible bidder's or responsible offerer's gross
7 price is reducible by an allowance for the value of used machinery,
8 equipment, apparatus or tools to be traded in by a political subdivi-
9 sion, the gross price shall be reduced by the amount of such allowance,
10 for the purpose of determining the best value. In cases where two or
11 more responsible bidders furnishing the required security submit identi-
12 cal bids as to price, such officer, board or agency may award the
13 contract to any of such bidders. Such officer, board or agency may, in
14 his or her or its discretion, reject all bids or offers and readvertise
15 for new bids or offers in the manner provided by this section. In deter-
16 mining whether a purchase is an expenditure within the discretionary
17 threshold amounts established by this subdivision, the officer, board or
18 agency of a political subdivision or of any district therein shall
19 consider the reasonably expected aggregate amount of all purchases of
20 the same commodities, services or technology to be made within the
21 twelve-month period commencing on the date of purchase. Purchases of
22 commodities, services or technology shall not be artificially divided
23 for the purpose of satisfying the discretionary buying thresholds estab-
24 lished by this subdivision. A change to or a renewal of a discretionary
25 purchase shall not be permitted if the change or renewal would bring the
26 reasonably expected aggregate amount of all purchases of the same
27 commodities, services or technology from the same provider within the
28 twelve-month period commencing on the date of the first purchase to an
29 amount greater than the discretionary buying threshold amount. For
30 purposes of this section, "sealed bids" and "sealed offers", as that
31 term applies to purchase contracts, (including contracts for service
32 work, but excluding any purchase contracts necessary for the completion
33 of a public works contract pursuant to article eight of the labor law)
34 shall include bids and offers submitted in an electronic format includ-
35 ing submission of the statement of non-collusion required by section one
36 hundred three-d of this article, provided that the governing board of
37 the political subdivision or district, by resolution, has authorized the
38 receipt of bids and offers in such format. Submission in electronic
39 format may, for technology contracts only, be required as the sole meth-
40 od for the submission of bids and offers. Bids and offers submitted in
41 an electronic format shall be transmitted by bidders and offerers to the
42 receiving device designated by the political subdivision or district.
43 Any method used to receive electronic bids and offers shall comply with
44 article three of the state technology law, and any rules and regulations
45 promulgated and guidelines developed thereunder and, at a minimum, must
46 (a) document the time and date of receipt of each bid and offer received
47 electronically; (b) authenticate the identity of the sender; (c) ensure
48 the security of the information transmitted; and (d) ensure the confi-
49 dentiality of the bid or offer until the time and date established for
50 the opening of bids or offers. The timely submission of an electronic
51 bid or offer in compliance with instructions provided for such
52 submission in the advertisement for bids or offers and/or the specifica-
53 tions shall be the responsibility solely of each bidder or offerer or
54 prospective bidder or offerer. No political subdivision or district
55 therein shall incur any liability from delays of or interruptions in the
56 receiving device designated for the submission and receipt of electronic

1 bids and offers. A CONTRACTOR BIDDING ON A REQUEST FOR PROPOSAL ISSUED
2 BY THE APPROPRIATE OFFICER, BOARD OR AGENCY OF A POLITICAL SUBDIVISION
3 OR OF ANY DISTRICT THEREIN, INCLUDING BUT NOT LIMITED TO A SOIL CONSER-
4 VATION DISTRICT, OFFERING AN OPTIONAL PROJECT LABOR AGREEMENT PURSUANT

11 amended by section 2 of chapter 2 of the laws of 2012, is amended to
12 read as follows:

13 1. Except as otherwise expressly provided by an act of the legislature
14 or by a local law adopted prior to September first, nineteen hundred
15 fifty-three, all contracts for public work involving an expenditure of
16 more than thirty-five thousand dollars and all purchase contracts
17 involving an expenditure of more than twenty thousand dollars, shall be
18 awarded by the appropriate officer, board or agency of a political
19 subdivision or of any district therein including but not limited to a
20 soil conservation district to the lowest responsible bidder furnishing
21 the required security after advertisement for sealed bids in the manner
22 provided by this section, provided, however, that purchase contracts
23 (including contracts for service work, but excluding any purchase
24 contracts necessary for the completion of a public works contract pursu-
25 ant to article eight of the labor law) may be awarded on the basis of
26 best value, as defined in section one hundred sixty-three of the state
27 finance law, to a responsive and responsible bidder or offerer in the
28 manner provided by this section except that in a political subdivision
29 other than a city with a population of one million inhabitants or more

32 contracts must be authorized by local law or, in the case of a district
33 corporation, school district or board of cooperative educational
34 services, by rule, regulation or resolution adopted at a public meeting.
35 In determining whether a purchase is an expenditure within the discre-
36 tionary threshold amounts established by this subdivision, the officer,
37 board or agency of a political subdivision or of any district therein
38 shall consider the reasonably expected aggregate amount of all purchases
39 of the same commodities, services or technology to be made within the
40 twelve-month period commencing on the date of purchase. Purchases of
41 commodities, services or technology shall not be artificially divided
42 for the purpose of satisfying the discretionary buying thresholds estab-
43 lished by this subdivision. A change to or a renewal of a discretionary
44 purchase shall not be permitted if the change or renewal would bring the
45 reasonably expected aggregate amount of all purchases of the same
46 commodities, services or technology from the same provider within the
47 twelve-month period commencing on the date of the first purchase to an
48 amount greater than the discretionary buying threshold amount. In any
49 case where a responsible bidder's or responsible offerer's gross price
50 is reducible by an allowance for the value of used machinery, equipment,
51 apparatus or tools to be traded in by a political subdivision, the gross
52 price shall be reduced by the amount of such allowance, for the purpose
53 of determining the low bid or best value. In cases where two or more
54 responsible bidders furnishing the required security submit identical
55 bids as to price, such officer, board or agency may award the contract
56 to any of such bidders. Such officer, board or agency may, in his, her
