FISCAL NOTE.--This bill would allow Tier 3, 5 and 6 superintendents under the jurisdiction of the department of corrections and community supervision of New York state to become eligible to receive benefits under the provisions of Article 15 of the Retirement and Social Security Law in addition to the half-pay plan at 25 years benefit. This bill would also cover retired superintendents. Current and future affected members and retirees would have 90 days from the later of the effective date of this bill and their date of being appointed to a superintendent position to file for this benefit.

If this bill is enacted, we anticipate that there will be an immediate past service cost of approximately \$3.34 million which would be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2014.

In addition to this cost, there would also be costs for future superintendents who elect this benefit. These costs would depend on the age, service, salary and tier of the affected members, and would be paid by the State of New York as a one-time payments as they occur.

These estimated costs are based on twenty-three (23) superintendents with a total annual salary of approximately \$2.1 million for the fiscal year ending March 31, 2012.
