FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow State Correction Officers and Security Hospital Treatment Assistants to postpone up to 5 days of vacation per year and take monetary payment in lieu thereof on the date of retirement.

If this bill is enacted, affected members would become eligible for increased lump sum payments on their dates of retirement, separation from service, termination or transfer to a different title. The additional payment may not be included in the members' final average salary. Therefore, this legislation does not change any benefit calculations of the New York State and Local Employees' Retirement System (ERS), and there would not be a cost to ERS.
