I N S E N A T E

March 13, 2013

Introduced by Sen. FLANAGAN -- (at request of the State Education Department) -- read twice and ordered printed, and when printed to be committed to the Committee on Education -- recommitted to the Committee on Education in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the education law, in relation to the establishment of regional secondary schools

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature hereby finds and
2 declares that given the current fiscal climate in this state, many
3 school districts, particularly small, rural districts, are threatened by
4 a decline in educational opportunities and programs for their students.
5 School districts are seeking new models of delivering services to
6 students that are more cost-effective and efficient, in order to sustain
7 or enhance the quality of services and to maintain or expand the scope
8 of services offered to students. The legislature recognizes that many
9 high schools in the state are experiencing financial limitations that
10 may impair their ability to offer students the same range or quality of
11 courses that other high schools may provide. In order to ensure that
12 these districts continue to offer their students advanced course work,
13 districts should be afforded the opportunity to establish a regional
14 secondary school. Under this new model of delivering services, districts
15 will be able to streamline programs and services, increase resources,
16 and increase their purchasing power through shared services. These
17 resultant cost savings will allow money to flow into educational
18 programs and services for students which will, in turn, help to improve
19 student performance and meet college and career readiness.
20 S 2. The education law is amended by adding a new article 39-A to read
21 as follows:

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
[] is old law to be omitted.
