19 moneys so expended and the purposes for which such expenditures were

3 equal to the amount to be so transferred was expended for the purposes  
4 enumerated in this section. Stock may be issued to an employee or direc-  
5 tor of a telegraph or telephone corporation under a stock option plan  
6 pursuant to which such corporation grants options to its employees or  
7 directors to purchase shares of stock, such options to be exercisable  
8 for a stated period of time to purchase shares of stock at the market  
9 value of the stock at the time of issuance of the option, provided that  
10 there shall have been secured from the commission authority for such  
11 issuance and that the applicant has certified in the application for  
12 authority that the proceeds from the exercise of the stock options are

18 however, for good cause shown the commission may exempt from the  
19 restriction hereof stocks, bonds or other evidences of indebtedness. The  
20 application for authority shall state the amount of any such issue and  
21 the purposes to which it or its proceeds are to be applied and shall  
22 certify that the money, property or labor procured or to be procured or  
23 paid for by such issue or its proceeds has been or is reasonably  
24 required for the purposes specified in the application for authority, OR  
25 ARE THE PROCEEDS FROM A FEDERAL GRANT OR LOAN FOR THE EXPANSION OF  
26 BROADBAND SERVICES, and that such purposes are in no part reasonably  
27 chargeable to operating expenses or to income except in the case of  
28 bonds, notes or other evidences of indebtedness as may be specifically  
29 identified in the application for authority. For the purpose of enabling  
30 the commission to determine whether it should authorize such issuance,  
31 the commission shall have the power to make such inquiry or investi-  
32 gation, hold such hearings and examine such witnesses, books, papers,  
33 documents or contracts as it may determine of importance in enabling it  
34 to reach a determination. [No] EXCEPT IN INSTANCES WHERE A TELEGRAPH OR  
35 TELEPHONE CORPORATION IS ENGAGED IN SECURING A FEDERAL LOAN OR GRANT FOR  
36 THE EXPANSION OF BROADBAND SERVICES, NO such corporation shall, without  
37 the consent of the commission, apply any such issue or its proceeds to  
38 any purpose not specified in the application for authority. Such tele-  
39 graph corporation or telephone corporation may issue notes for proper  
40 corporate purposes and not in violation of any provision of this chapter  
41 or of any other act, payable at periods of not more than twelve months  
42 without the consent of the commission; but no such note shall, in whole  
43 or in part, directly or indirectly, be refunded by any issue of stock or  
44 bonds, or by any evidences of indebtedness running for more than twelve  
45 months, without the consent of the commission. No telegraph corporation  
46 or telephone corporation shall be required, however, to apply to the  
47 commission for authority to issue stocks, bonds, notes or other evidence  
48 of indebtedness except for the acquisition of property, the  
49 construction, completion, extension or improvement of its facilities, or  
50 the improvement or maintenance of its service within the state, or the  
51 discharge or refunding of obligations, or reimbursement of moneys actu-  
52 ally expended for such purposes. The commission shall have power to  
53 require every such corporation to file with the commission after the  
54 issuance of stocks, bonds, notes or other evidences of indebtedness  
55 issued with or without the approval of the commission as provided in  
56 this section, a notice of such transaction in such form as the commis-

1 sion may prescribe. The commission shall have no power to authorize the  
2 capitalization of any franchise or right to be a corporation, nor to  
3 authorize the capitalization of any franchise or the right to own, oper-  
4 ate or enjoy any franchise whatsoever in excess of the amount (exclusive  
5 of any tax or annual charge) actually paid to the state or any political  
6 subdivision thereof, as the consideration of the grant of such franchise  
7 or right, nor to authorize the issuance of any stocks or other securi-  
8 ties for any purposes other than those enumerated in this section. Nor  
9 shall the corporate stock of the corporation formed by the merger or  
10 consolidation of two or more other corporations exceed the sum of the  
11 capital stock of the corporations so consolidated, at the par value  
12 thereof, or such sum and any additional sum actually paid in cash; nor  
13 shall any contract for consolidation or lease be capitalized in the  
14 stock of any corporation whatever; nor shall any corporation hereafter  
15 issue any bonds against or as a lien upon any contract for consolidation  
16 or merger. Notwithstanding the foregoing provisions of this section, any  
17 application for approval under this section shall be deemed granted by  
18 the commission forty-five days after such application is filed for  
19 approval, unless the commission, or its designee, determines and informs  
20 the applicant in writing within such forty-five day period that the  
21 public interest requires the commission's review and its written order.  
22 S 2. This act shall take effect immediately.
