2 Beth Barsamian shall be hereby eligible to receive the ordinary death
3 benefit calculated pursuant to section 606 of the retirement and social
4 security law on account of the death of her daughter, Lauren Barsamian,
5 who died on October 14, 2005 from a tragic accident that occurred on
6 October 8, 2005, while employed by the East Ramapo School District, a
7 member of the New York state teachers' retirement system, and for
8 reasons not ascribable to Lauren Barsamian's own negligence, and as such
9 did not afford death coverage to her mother and family. Beth Barsamian

1 retirement system to the former retirement system that Lauren Barsamian
2 would have met all of the requirements, had she been alive. There shall
3 not be a transfer of the member's contributions because those monies

5 All costs incurred by implementing the provisions of this act due to
6 past service shall be borne by the employers of members of the New York
7 state teachers' retirement system.

8 S 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Beth Barsamian, the mother of Lauren Barsamian, to transfer Lauren Barsamian's service credit in the New York State and Local Employees' Retirement System to the New York State Teachers' Retirement System. Lauren Barsamian became a member of the New York State Teachers' Retirement System on September 1, 2005 and died on October 14, 2005 from a tragic accident that occurred on October 8, 2005. Lauren Barsamian was ineligible for death benefit coverage under Paragraph 2 of Section 606 of the Retirement and Social Security Law because she had less than one year of service credit with the New York State Teachers' Retirement System at the time of her death. However she would have been eligible for death benefit coverage had she transferred her service credit in the New York State and Local Employees' Retirement System to the New York State Teachers' Retirement System prior to her death.

The cost of this benefit is equal to the amount of Ms. Barsamian's ordinary death benefit, which is estimated to be \$167,000.

The source of this estimate is Revised Fiscal Note 2013-21 dated June 13, 2013 prepared by the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2013 Legislative Session.
