Introduced by Sen. TKACZYK -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to allow Joel Lochner to join the optional twenty year retirement plan, city of Amsterdam, county of Montgomery

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Notwithstanding any other provision of law to the contrary,  
2     the city of Amsterdam, in the county of Montgomery, a participating  
3     employer in the New York state and local police and fire retirement  
4     system, which previously elected to offer the optional twenty year  
5     retirement plan, established pursuant to section 384-d of the retirement  
6     and social security law, to police officers employed by such city, is  
7     hereby authorized to make participation in such plan available to Joel  
8     Lochner, a police officer employed by the city of Amsterdam, who, for  
9     reasons not ascribable to his own negligence failed to make a timely  
10    application to participate in such optional twenty year retirement plan.  
11    Thereafter, Joel Lochner, may elect to be covered by the provisions of  
12    section 384-d of the retirement and social security law as a Tier 5  
13    member, and shall be entitled to the full rights and benefits associated  
14    with coverage under such section, by filing a request to that effect  
15    with the state comptroller on or before December 31, 2013.

16    S   2. All past service costs associated with implementing the  
17    provisions of this act shall be borne by the city of Amsterdam and may  
18    be amortized over a period of five years.

19    S   3. This act shall take effect immediately.

FISCAL NOTE.--This bill will allow the city of Amsterdam to elect to reopen the provisions of Section 384-d of the Retirement and Social Security Law for police officer Joel Lochner.

If this bill were enacted, we anticipate that there will be an increase of approximately \$3,600 in the annual contributions of the city of Amsterdam for the fiscal year ending March 31, 2014.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [ ] is old law to be omitted.

LBD10547-02-3

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$9,400 which would be borne by the city of Amsterdam as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2014. If the past service cost is amortized over a period of five (5) years, the past service costs for the first year including interest, would be approximately \$2,200.
