

5802--A

2013-2014 Regular Sessions

I N S E N A T E

June 15, 2013

Introduced by Sens. GRIFFO, CARLUCCI -- read twice and ordered printed, and when printed to be committed to the Committee on Rules -- recommitted to the Committee on Mental Health and Developmental Disabilities in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the mental hygiene law, in relation to establishing the diagnostic and statistical manual of mental disorders (DSM-5) implementation council; and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature finds that early,
2 continuous and appropriate treatment facilitates the best possible
3 outcome for children diagnosed with autism spectrum disorder (ASD). The
4 legislature further finds that while periodic reformation of diagnostic
5 criteria is vital to ensure quality care, the legislature and state must
6 be able to respond accordingly if such changes may impact individuals
7 currently receiving treatment. Therefore, the legislature finds it
8 appropriate to establish a council consisting of stakeholders, including
9 parents and physicians, to advise the state and legislature on the
10 implementation and impact of the transition from the fourth edition of
11 the Diagnostic and Statistical Manual of Mental Disorders to the criteria
12 implemented by the fifth edition to ensure that individuals who
13 qualify under DSM-IV will continue to qualify under DSM-5. The legislature
14 further finds that until such time that the state understands the
15 impacts it is important to ensure the continued benefits and state
16 services for individuals with a diagnosis.
17 S 2. The mental hygiene law is amended by adding a new section 16.38
18 to read as follows:

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.
