Introduced by Sen. CARLUCCI -- read twice and ordered printed, and when printed to be committed to the Committee on Mental Health and Developmental Disabilities

AN ACT to amend the mental hygiene law, in relation to establishing the task force on adults with intellectual disabilities; and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings. The legislature finds that intellectual disabilities is a lifelong disability, yet much of the focus on
2 intellectual disabilities relates to education and development, and
3 neglects concerns that may arise later in a person's life. The legislature also finds that adults with intellectual disabilities may face
4 significant challenges in various aspects of their lives, including such
5 areas as job placement, housing and long-term care. Consequently, the
6 legislature finds that there is a pressing need for policymakers and
7 advocates in the state to formulate achievable goals for state government to meet in order to better serve the community of adults with
8 intellectual disabilities. To this end, it is in the public interest to
9 establish a task force on adults with intellectual disabilities to
10 develop a comprehensive plan for meeting the various needs of adults
11 with intellectual disabilities living in New York.
