Provided, however, the provisions of section one thousand fourteen of this article shall be applicable to the conduct of such simulcasting, when such provisions are in full force and effect pursuant to such section.

[2. a. Maintenance of effort. In order to be approved by the commission, the payment schedule shall be identical to the actual payments and distributions of such payments to tracks and purses made by such off-track corporation pursuant to the provisions of section one thousand fifteen of this article during the year two thousand two, as derived from out-of-state harness races displayed after 6:00 P.M. If approved by the commission, such scheduled payments shall be made from revenues derived from any simulcasting conducted pursuant to this section and section one thousand fifteen of this article.

b. Additional payments. During each calendar year, to the extent, and at such time in the event, that aggregate statewide wagering handle after 7 Labor P.M. on out-of-state and out-of-country thoroughbred races exceeds one hundred million dollars, each off-track betting corporation conducting such simulcasting shall pay to its regional harness track or tracks, an amount equal to two percent of its proportionate share of such excess handle. In any region where there are two or more regional harness tracks, such two percent shall be divided between or among the tracks in a proportion equal to the proportion of handle on live harness races conducted at such tracks during the preceding calendar year. Fifty percent of the sum received by each track pursuant to this paragraph shall be used exclusively for increasing purses, stakes and prizes at that regional harness track. For the purpose of determining whether such aggregate statewide handle exceeds one hundred million dollars, all wagering on such thoroughbred races accepted by licensed multi-jurisdictional account wagering providers from customers within New York state shall be excluded.]
