Introduced by Sen. GIPSON -- read twice and ordered printed, and when printed to be committed to the Committee on Local Government

AN ACT authorizing and validating the alienation of certain parkland in the village of Wappingers Falls in the county of Dutchess

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 but subject to this act, the alienation of the parkland described in
3 section four of this act is hereby authorized and validated, notwithstanding the absence of prior legislative approval to the extent
4 required.

5 S 2. Subject to the provisions of this act, the village of Wappingers
6 Falls, acting by and through its village board, is authorized to discontinue as parkland, alienate and convey the lands described in section
7 four of this act for such purposes as are consistent with the village's
8 comprehensive plan, as such plan may be modified in accordance with the
9 requirements of such plan.

10 S 3. The authorization contained in section two of this act shall take
11 effect only upon the condition that the village of Wappingers Falls
12 dedicate the land described in section five of this act as parkland. In
13 the event the lands described in section five of this act are not equal
14 to or greater than the fair market value of the lands being alienated by
15 this act, the village of Wappingers Falls shall dedicate the difference
16 between the fair market value of the lands being alienated by this act
17 and the replacement lands towards the acquisition of additional park
18 land and/or improvements to existing park land in the village of
19 Wappingers Falls.

20 S 4. The lands to be discontinued as park land and alienated and
21 conveyed pursuant to section two of this act are bounded and described
22 as follows:

23 ALL that tract or parcel of land situated in the village of Wappingers
24 Falls, county of Dutchess, state of New York being part of Parcel No. 1
25 being bounded and described as follows:
