FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would:

1) amend section 209-a of the civil service law (Triborough act) to no longer continue the terms of certain expired agreements.

2) amend the Education law to allow any person who would have become a member of either the New York State and Local Employees' Retirement System (NYS&LERS) or the New York State Teachers Retirement System (NYSTRS) as well as current members who are not yet vested employees of either NYS&LERS or the NYSTRS to join the SUNY optional retirement system on or after January 1, 2016. In addition this bill will allow non-civil service employees and elected officials who have no prior

membership in a state or local retirement plan join the SUNY optional retirement system on or after January 1, 2016.

Pursuant to Chapter 18 of the Laws of 2012, participation currently is optional in a defined contribution plan for non-union employees hired on or after July 1, 2013 whose salary is \$75,000 or higher.

3) limit binding arbitration awards to a maximum of 2% for all compensation items subject to negotiation.

There would be additional NYSLRS administrative expenses to inform employers and new members of joining the SUNY optional retirement system. These expenses are expected to be small.
