1 S 2. All past service costs associated with implementing the
2 provisions of this act will be borne by Nassau county, and may be amor-
3 tized over a fifteen year period.

4 S 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill will allow any sheriff, undersheriff, deputy sheriff or correction officer employed by Nassau County to become eligible to receive a performance of duty benefit due to the intentional or reckless act of a civilian visiting an institution under the jurisdiction of such county. The benefit will be 75% of final average salary less worker's compensation. Currently, to be eligible for such improved benefit, it is required that such injuries were sustained as the result of an "act of an inmate". Such injuries must be sustained and documented after the enactment of this legislation.

If this legislation is enacted during the 2016 legislative session, we anticipate that there will be an increase in the annual contributions of Nassau County of approximately \$190,000 for the fiscal year ending March 31, 2017.

In addition to the annual contributions discussed above, it is estimated that there will be a past service cost of approximately \$1.14 million which would be borne by Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2017. If Nassau County elects to amortize this cost over a 15 year period, the cost for the first year would be \$117,000.

These estimated costs are based on 960 sheriffs, undersheriffs, deputy sheriffs and correction officers employed by Nassau County with a total estimated annual salary of approximately \$93 million for the fiscal year ending March 31, 2015.
