53 provided with a copy of the two thousand ten disparity study.

54 1-b. Each agency shall develop and adopt agency-specific goals based
55 on the findings of the two thousand ten disparity study.

1 2. The director shall promulgate rules and regulations pursuant to the
2 goals established in subdivision one of this section that provide meas-
3 ures and procedures to ensure that certified minority, HONORABLY
4 DISCHARGED VETERAN and women-owned businesses shall be given the oppor-
5 tunity for maximum feasible participation in the performance of state
6 contracts and to assist in the agency's identification of those state
7 contracts for which minority, HONORABLY DISCHARGED VETERAN and women-
8 owned certified businesses may best bid to actively and affirmatively
9 promote and assist their participation in the performance of state
10 contracts so as to facilitate the agency's achievement of the maximum
11 feasible portion of the goals for state contracts to such businesses.

12 2-a. The director shall promulgate rules and regulations that will
13 accomplish the following:

14 (a) provide for the certification and decertification of minority,
15 HONORABLY DISCHARGED VETERAN and women-owned business enterprises for
16 all agencies through a single process that meets applicable require-
17 ments;

18 (b) require that each contract solicitation document accompanying each
19 solicitation set forth the expected degree of minority, HONORABLY
20 DISCHARGED VETERAN and women-owned business enterprise participation
21 based, in part, on:

22 (i) the potential subcontract opportunities available in the prime
23 procurement contract; and

24 (ii) the availability, as contained within the study, of certified
25 minority, HONORABLY DISCHARGED VETERAN and women-owned business enter-
26 prises to respond competitively to the potential subcontract opportu-
27 nities;

28 (c) require that each agency provide a current list of certified
29 minority business enterprises to each prospective contractor;

30 (d) allow a contractor that is a certified minority-owned, HONORABLY
31 DISCHARGED VETERAN-OWNED or women-owned business enterprise to use the
32 work it performs to meet requirements for use of certified minority-
33 owned, HONORABLY DISCHARGED VETERAN-OWNED or women-owned business enter-
34 prises as subcontractors;

35 (e) provide for joint ventures, which a bidder may count toward meet-

42 (g) require that an agency verify that minority, HONORABLY DISCHARGED
43 VETERAN and women-owned business enterprises listed in a successful bid
44 are actually participating to the extent listed in the project for which
45 the bid was submitted;

46 (h) provide for the collection of statistical data by each agency
47 concerning actual minority, HONORABLY DISCHARGED VETERAN and women-owned
48 business enterprise participation; and

49 (i) require each agency to consult the most current disparity study
50 when calculating agency-wide and contract specific participation goals
51 pursuant to this article.

52 3. Solely for the purpose of providing the opportunity for meaningful
53 participation by certified businesses in the performance of state
54 contracts as provided in this section, state contracts shall include
55 leases of real property by a state agency to a lessee where: the terms
56 of such leases provide for the construction, demolition, replacement,

1 major repair or renovation of real property and improvements thereon by
2 such lessee; and the cost of such construction, demolition, replacement,
3 major repair or renovation of real property and improvements thereon
4 shall exceed the sum of one hundred thousand dollars. Reports to the
5 director pursuant to section three hundred fifteen of this article shall
6 include activities with respect to all such state contracts. Contracting
7 agencies shall include or require to be included with respect to state
8 contracts for the acquisition, construction, demolition, replacement,
9 major repair or renovation of real property and improvements thereon,
10 such provisions as may be necessary to effectuate the provisions of this
11 section in every bid specification and state contract, including, but
12 not limited to: (a) provisions requiring contractors to make a good
13 faith effort to solicit active participation by enterprises identified
14 in the directory of certified businesses provided to the contracting
15 agency by the office; (b) requiring the parties to agree as a condition
16 of entering into such contract, to be bound by the provisions of section
17 three hundred sixteen of this article; and (c) requiring the contractor
18 to include the provisions set forth in paragraphs (a) and (b) of this
19 subdivision in every subcontract in a manner that the provisions will be
20 binding upon each subcontractor as to work in connection with such
21 contract. Provided, however, that no such provisions shall be binding
22 upon contractors or subcontractors in the performance of work or the
23 provision of services that are unrelated, separate or distinct from the
24 state contract as expressed by its terms, and nothing in this section
25 shall authorize the director or any contracting agency to impose any
26 requirement on a contractor or subcontractor except with respect to a
27 state contract.

28 4. In the implementation of this section, the contracting agency shall
29 (a) consult the findings contained within the disparity study evidencing
30 relevant industry specific availability of certified businesses;

31 (b) implement a program that will enable the agency to evaluate each
32 contract to determine the appropriateness of the goal pursuant to subdi-
33 vision one of this section;

34 (c) consider where practicable, the severability of construction
35 projects and other bundled contracts; and

36 (d) consider compliance with the requirements of any federal law
37 concerning opportunities for minority, HONORABLY DISCHARGED VETERAN and
38 women-owned business enterprises which effectuates the purpose of this
39 section. The contracting agency shall determine whether the imposition
40 of the requirements of any such law duplicate or conflict with the
41 provisions hereof and if such duplication or conflict exists, the
42 contracting agency shall waive the applicability of this section to the
43 extent of such duplication or conflict.

44 5. (a) Contracting agencies shall administer the rules and regulations
45 promulgated by the director in a good faith effort to meet the maximum
46 feasible portion of the agency's goals adopted pursuant to this article
47 and the regulations of the director. Such rules and regulations: shall
48 require a contractor to submit a utilization plan after bids are opened,
49 when bids are required, but prior to the award of a state contract;
50 shall require the contracting agency to review the utilization plan
51 submitted by the contractor and to post the utilization plan and any
52 waivers of compliance issued pursuant to subdivision six of this section
53 on the website of the contracting agency within a reasonable period of
54 time as established by the director; shall require the contracting agen-
55 cy to notify the contractor in writing within a period of time specified
56 by the director as to any deficiencies contained in the contractor's

1 utilization plan; shall require remedy thereof within a period of time
2 specified by the director; shall require the contractor to submit peri-
3 odic compliance reports relating to the operation and implementation of
4 any utilization plan; shall not allow any automatic waivers but shall
5 allow a contractor to apply for a partial or total waiver of the minori-
6 ty, HONORABLY DISCHARGED VETERAN and women-owned business enterprise
7 participation requirements pursuant to subdivisions six and seven of
8 this section; shall allow a contractor to file a complaint with the
9 director pursuant to subdivision eight of this section in the event a
10 contracting agency has failed or refused to issue a waiver of the minor-
11 ity, HONORABLY DISCHARGED VETERAN and women-owned business enterprise
12 participation requirements or has denied such request for a waiver; and
13 shall allow a contracting agency to file a complaint with the director
14 pursuant to subdivision nine of this section in the event a contractor
15 is failing or has failed to comply with the minority, HONORABLY
16 DISCHARGED VETERAN and women-owned business enterprise participation
17 requirements set forth in the state contract where no waiver has been
18 granted.

19 (b) The rules and regulations promulgated pursuant to this subdivision
20 regarding a utilization plan shall provide that where enterprises have
21 been identified within a utilization plan, a contractor shall attempt,
22 in good faith, to utilize such enterprise at least to the extent indi-
23 cated. A contracting agency may require a contractor to indicate, within
24 a utilization plan, what measures and procedures he or she intends to
25 take to comply with the provisions of this article, but may not require,
26 as a condition of award of, or compliance with, a contract that a
27 contractor utilize a particular enterprise in performance of the
28 contract.

29 (c) Without limiting other grounds for the disqualification of bids or
30 proposals on the basis of non-responsibility, a contracting agency may
31 disqualify the bid or proposal of a contractor as being non-responsible
32 for failure to remedy notified deficiencies contained in the contrac-
33 tor's utilization plan within a period of time specified in regulations
34 promulgated by the director after receiving notification of such defi-
35 ciencies from the contracting agency. Where failure to remedy any noti-
36 fied deficiency in the utilization plan is a ground for disqualifica-
37 tion, that issue and all other grounds for disqualification shall be
38 stated in writing by the contracting agency. Where the contracting agen-
39 cy states that a failure to remedy any notified deficiency in the utili-
40 zation plan is a ground for disqualification the contractor shall be
41 entitled to an administrative hearing, on a record, involving all
42 grounds stated by the contracting agency. Such hearing shall be
43 conducted by the appropriate authority of the contracting agency to
44 review the determination of disqualification. A final administrative
45 determination made following such hearing shall be reviewable in a
46 proceeding commenced under article seventy-eight of the civil practice
47 law and rules, provided that such proceeding is commenced within thirty
48 days of the notice given by certified mail return receipt requested
49 rendering such final administrative determination. Such proceeding shall
50 be commenced in the supreme court, appellate division, third department
51 and such proceeding shall be preferred over all other civil causes
52 except election causes, and shall be heard and determined in preference
53 to all other civil business pending therein, except election matters,
54 irrespective of position on the calendar. Appeals taken to the court of
55 appeals of the state of New York shall be subject to the same prefer-
56 ence.

1 6. Where it appears that a contractor cannot, after a good faith
2 effort, comply with the minority, HONORABLY DISCHARGED VETERAN and
3 women-owned business enterprise participation requirements set forth in
4 a particular state contract, a contractor may file a written application
5 with the contracting agency requesting a partial or total waiver of such
6 requirements setting forth the reasons for such contractor's inability
7 to meet any or all of the participation requirements together with an
8 explanation of the efforts undertaken by the contractor to obtain the
9 required minority, HONORABLY DISCHARGED VETERAN and women-owned business
10 enterprise participation. In implementing the provisions of this
11 section, the contracting agency shall consider the number and types of
12 minority, HONORABLY DISCHARGED VETERAN and women-owned business enter-
13 prises located in the region in which the state contract is to be
14 performed, the total dollar value of the state contract, the scope of
15 work to be performed and the project size and term. If, based on such
16 considerations, the contracting agency determines there is not a reason-
17 able availability of contractors on the list of certified business to
18 furnish services for the project, it shall issue a waiver of compliance
19 to the contractor. In making such determination, the contracting agency
20 shall first consider the availability of other business enterprises
21 located in the region and shall thereafter consider the financial abili-
22 ty of minority, HONORABLY DISCHARGED VETERAN and women-owned businesses
23 located outside the region in which the contract is to be performed to
24 perform the state contract.

25 7. For purposes of determining a contractor's good faith effort to
26 comply with the requirements of this section or to be entitled to a
27 waiver therefrom the contracting agency shall consider:

28 (a) whether the contractor has advertised in general circulation
29 media, trade association publications, and minority-focus, VETERAN-FOCUS
30 and women-focus media and, in such event, (i) whether or not certified
31 minority, HONORABLY DISCHARGED VETERAN or women-owned businesses which
32 have been solicited by the contractor exhibited interest in submitting
33 proposals for a particular project by attending a pre-bid conference;
34 and

35 (ii) whether certified businesses which have been solicited by the
36 contractor have responded in a timely fashion to the contractor's solici-
37 tations for timely competitive bid quotations prior to the contracting
38 agency's bid date; and

39 (b) whether there has been written notification to appropriate certi-
40 fied businesses that appear in the directory of certified businesses
41 prepared pursuant to paragraph (f) of subdivision three of section three
42 hundred eleven of this article; and

43 (c) whether the contractor can reasonably structure the amount of work
44 to be performed under subcontracts in order to increase the likelihood
45 of participation by certified businesses.

46 8. In the event that a contracting agency fails or refuses to issue a
47 waiver to a contractor as requested within twenty days after having made
48 application therefor pursuant to subdivision six of this section or if
49 the contracting agency denies such application, in whole or in part, the
50 contractor may file a complaint with the director pursuant to section
51 three hundred sixteen of this article setting forth the facts and
52 circumstances giving rise to the contractor's complaint together with a
53 demand for relief. The contractor shall serve a copy of such complaint
54 upon the contracting agency by personal service or by certified mail,
55 return receipt requested. The contracting agency shall be afforded an
56 opportunity to respond to such complaint in writing.

1 9. If, after the review of a contractor's minority, HONORABLY
2 DISCHARGED VETERAN and women owned business utilization plan or review
3 of a periodic compliance report and after such contractor has been
4 afforded an opportunity to respond to a notice of deficiency issued by
5 the contracting agency in connection therewith, it appears that a
6 contractor is failing or refusing to comply with the minority, HONORABLY
7 DISCHARGED VETERAN and women-owned business participation requirements
8 as set forth in the state contract and where no waiver from such
9 requirements has been granted, the contracting agency may file a written
10 complaint with the director pursuant to section three hundred sixteen of
11 this article setting forth the facts and circumstances giving rise to
12 the contracting agency's complaint together with a demand for relief.
13 The contracting agency shall serve a copy of such complaint upon the
14 contractor by personal service or by certified mail, return receipt
15 requested. The contractor shall be afforded an opportunity to respond to
16 such complaint in writing.

17 S 6. Section 317 of the executive law, as added by chapter 261 of the
18 laws of 1988, is amended to read as follows:

19 S 317. Superseding effect of article with respect to state law. The
20 provisions of this article shall supersede any other provision of state
21 law, which expressly implements or mandates an equal employment opportu-
22 nity program or a program for securing participation by minority, HONOR-
23 ABLY DISCHARGED VETERAN and women-owned business enterprises, concerning
24 action to be taken by any party to a state contract, to which the
25 provisions of this article apply; provided, however, that the provisions
26 of any state law, not as hereinabove superseded, which expressly imple-
27 ment or mandate such programs shall remain unimpaired by the provisions
28 of this article, except that the provisions of any such law shall be
29 construed as if the provisions of subdivisions five, six, seven and
30 eight of section three hundred thirteen and section three hundred
31 sixteen of this article were fully set forth therein and made applicable
32 only to complaints of violations under such provisions of law occurring
33 on or after September first, nineteen hundred eighty-eight; provided,
34 further, that nothing contained in this article shall be construed to
35 limit, impair, or otherwise restrict any state agency's authority or
36 discretionary power in effect prior to the enactment of this article to
37 establish or continue, by rule, regulation or resolution, an equal
38 opportunity program or a program for securing participation of minority,
39 HONORABLY DISCHARGED VETERAN and women-owned business enterprises with
40 regard to banking relationships, the issuance of insurance policies or
41 contracts for the sale of bonds, notes or other securities; and,
42 provided further, that nothing contained in the immediately preceding
43 proviso shall be construed to create, impair, alter, limit, modify,
44 enlarge, abrogate or restrict any agency's authority or discretionary
45 power with respect to an equal opportunity program or a program for
46 securing participation of minority, HONORABLY DISCHARGED VETERAN and
47 women-owned enterprises.

48 S 7. Section 136-b of the state finance law, as added by chapter 261
49 of the laws of 1988, is amended to read as follows:

50 S 136-b. Selection of underwriters by state agencies. Whenever a state
51 agency, as defined in article fifteen-A of the executive law, sells its
52 bonds, notes or other securities at a private sale, in selecting one or
53 more underwriters to purchase such securities the state agency shall
54 consider, among other things, the participation of firms certified
55 pursuant to such article as minority, HONORABLY DISCHARGED VETERAN or
56 women-owned firms and the ability of other firms under consideration to

1 work with minority, HONORABLY DISCHARGED VETERAN and women-owned busi-
2 ness enterprises so as to promote and assist participation by such
3 enterprises.

4 S 8. Paragraphs (b) and (d) of subdivision 2 of section 139-i of the
5 state finance law, as amended by chapter 531 of the laws of 1993, are
6 amended to read as follows:

7 (b) include in all bid documents provided to potential bidders a
8 statement that information concerning the availability of New York state
9 subcontractors and suppliers is available from the New York state
10 department of economic development, which shall include the directory of
11 certified minority and women-owned businesses, and it is the policy of
12 New York state to encourage the use of New York state subcontractors and
13 suppliers, and to promote the participation of minority, HONORABLY
14 DISCHARGED VETERAN and women-owned businesses, where possible, in the
15 procurement of goods and services.

16 (d) adopt policies to promote the participation by New York state
17 business enterprises and New York state residents in procurement
18 contracts, with the cooperation of the department of economic develop-
19 ment and the community services division of the department of labor
20 including, but not limited to, providing through cooperative efforts
21 with contractors for the notification of New York state business enter-
22 prises of opportunities to participate as subcontractors and suppliers
23 on procurement contracts in an amount estimated to be equal to or great-
24 er than one million dollars and for the notification of New York state
25 residents of employment opportunities arising in New York state out of
26 procurement contracts in an amount estimated to be equal to or greater
27 than one million dollars; and promulgating procedures which will assure
28 compliance by contractors with such notification. Once awarded the
29 contract, such contractors shall document their efforts to encourage the
30 participation of New York state business enterprises as suppliers and
31 subcontractors on procurement contracts equal to or greater than one
32 million dollars. Documented efforts by a successful contractor shall
33 consist of and be limited to showing that such contractor has [(a)] (I)
34 solicited bids, in a timely and adequate manner, from New York state
35 business enterprises including certified minority, HONORABLY DISCHARGED
36 VETERAN and women-owned business, or [(b)] (II) contacted the New York
37 state department of economic development to obtain listings of New York
38 state business enterprises, or [(c)] (III) placed notices for subcon-
39 tractors and suppliers in newspapers, journals and other trade publica-
40 tions distributed in New York state, or [(d)] (IV) participated in
41 bidder outreach conferences. If the contractor determines that New York
42 state business enterprises are not available to participate on the
43 contract as subcontractors or suppliers, the contractor shall provide a
44 statement indicating the method by which such determination was made. If
45 the contractor does not intend to use subcontractors on the contract,
46 the contractor shall provide a statement verifying such intent. Such
47 contractors shall also provide notification to New York state residents
48 of employment opportunities through listing any such positions with the
