55 CONTROL OF MORE THAN TEN PERCENT OF THE INTEREST OR VOTING RIGHTS OF  
56 SUCH OPERATOR BY ANY PERSON NOT PREVIOUSLY APPROVED BY THE PUBLIC HEALTH

1 AND HEALTH PLANNING COUNCIL, OR ITS PREDECESSOR, FOR THAT OPERATOR shall

3 ance with the provisions of subdivisions two and three of this section,  
4 except that: (A) any such change shall be subject to the approval by the  
5 public health and health planning council in accordance with paragraph  
6 (b) of subdivision three of this section only with respect to the new

36 twenty-eight hundred six of this article; (C) if there are reasonable

44 cil shall state specific reasons for barring any transaction under this  
45 subparagraph and shall so notify each party to the proposed transaction.

53 thereof, the partnership or limited liability company fully completes  
54 and files with the public health and health planning council notice on a  
55 form, to be developed by the public health and health planning council,  
56 which shall disclose such information as may reasonably be necessary for

2 should bar the transaction for the reason set forth below. Within ninety  
3 days from the date of receipt of such notice, the public health and  
4 health planning council may bar any transaction under this subparagraph  
5 if the equity position of the partnership or limited liability company,  
6 determined in accordance with generally accepted accounting principles,  
7 would be reduced as a result of the transfer, assignment or disposition.  
8 The public health and health planning council shall state specific  
9 reasons for barring any transaction under this subparagraph and shall so  
10 notify each party to the proposed transaction.

15 transfer, assignment or other disposition of the stock or voting rights  
16 thereunder of such a corporation which results in the ownership or  
17 control of more than ten percent of the stock or voting rights there-  
18 under of such corporation by any person not previously approved by the  
19 public health and health planning council, or its predecessor, for that  
20 corporation shall be subject to approval by the public health and health  
21 planning council, in accordance with the provisions of subdivisions two  
22 and three of this section and rules and regulations pursuant thereto;  
23 except that: any such transaction shall be subject to the approval by  
24 the public health and health planning council in accordance with para-  
25 graph (b) of subdivision three of this section only with respect to a  
26 new stockholder or a new principal stockholder; and shall not be subject

37 that [corporation] OPERATOR. However, no such transaction shall be  
38 effective unless at least ninety days prior to the intended effective  
39 date thereof, the [stockholder] OPERATOR FULLY completes and files with  
40 the public health and health planning council notice on forms to be  
41 developed by the public health and health planning council, which shall  
42 disclose such information as may reasonably be necessary for the public  
43 health and health planning council to determine whether it should bar  
44 the transaction. Such transaction will be final as of the intended  
45 effective date unless, prior thereto, the public health and health plan-  
46 ning council shall state specific reasons for barring such transactions  
47 under this paragraph and shall notify each party to the proposed trans-  
48 action. Nothing in this paragraph shall be construed as permitting a  
49 person not previously approved by the public health and health planning  
50 council for that [corporation] OPERATOR to become the owner of ten  
51 percent or more of the [stock of a corporation which is] INTEREST OR

The holder of the certificate shall be given notice and an opportunity to be heard prior to any such determination except that no such notice and opportunity to be heard shall be necessary prior to an emergency suspension or limitation of the facility's OR PROVIDER OF SERVICES' operating certificate imposed pursuant to paragraph one of subdivision (b) of this section, nor shall such notice and opportunity to be heard be necessary should the commissioner, in his OR HER discretion, decide to issue separate operating certificates to each facility OR PROVIDER OF SERVICES formerly included under the services authorized by one operating certificate to the provider of services.

(b) (1) An operating certificate may be temporarily suspended or limited without a prior hearing for a period not in excess of sixty days upon written notice to the facility OR PROVIDER OF SERVICES following a finding by the office for people with developmental disabilities that a [client's] INDIVIDUAL'S health or safety is in imminent danger. (2) At any time subsequent to the suspension or limitation of any operating certificate pursuant to paragraph one of this subdivision where said suspension or limitation is the result of correctable physical plant, staffing or program deficiencies, the facility OR PROVIDER OF SERVICES may request the office to [reinspect] REVIEW the facility OR PROVIDER OF SERVICES to redetermine whether a physical plant, staffing or program deficiency continues to exist. After the receipt of such a request, the office shall [reinspect] REVIEW the facility OR PROVIDER OF SERVICES within ten days and in the event that the previously found

1 physical plant, staffing or program deficiency has been corrected, the  
2 suspension or limitation shall be withdrawn. If the physical plant,

21 tation. Such an evidentiary hearing shall commence within ten days of  
22 the facility operator's OR PROVIDER'S request and no request for an  
23 adjournment shall be granted without the concurrence of the facility  
24 operator OR PROVIDER OF SERVICE, office for people with developmental

26 limited to those violations of federal and state law and regulations  
27 that existed at the time of the emergency suspension or limitation and  
28 which gave rise to the emergency suspension or limitation. The emergency  
29 suspension or limitation shall be upheld upon a determination that the  
30 office for people with developmental disabilities had reasonable cause  
31 to believe that a [client's] INDIVIDUAL'S health or safety was in immi-  
32 nent danger. A record of such hearing shall be made available to the  
33 facility operator OR PROVIDER OF SERVICE upon request. Should the

40 (c) When the holder of an operating certificate shall request an  
41 opportunity to be heard, the commissioner shall fix a time and place for  
42 the hearing. A copy of the charges, together with the notice of the time  
43 and place of the hearing, shall be served in person or mailed by regis-

47 to the hearing, a written answer to the charges.

48 (d) (1) When a hearing must be afforded pursuant to this section or  
49 other provisions of this article, the commissioner, acting as hearing  
50 officer, or any person designated by him OR HER as hearing officer,  
51 shall have power to:

1 (2) The rules of evidence observed by courts need not be observed  
2 except that the rules of privilege recognized by law shall be respected.  
3 Irrelevant or unduly repetitious evidence may be excluded.

4 (3) All parties shall have the right of counsel and be afforded an  
5 opportunity to present evidence and cross-examine witnesses.

6 (4) If evidence at the hearing relates to the identity, condition, or  
7 clinical record of [a client] AN INDIVIDUAL, the hearing officer may  
8 exclude all persons from the room except parties to the proceeding,  
9 their counsel and the witness. The record of such proceeding shall not  
10 be available to anyone outside the office, other than a party to the  
11 proceeding or his counsel, except by order of a court of record.

12 (5) The commissioner may establish regulations to govern the hearing  
13 procedure and the process of determination of the proceeding.

14 (6) The commissioner shall issue a ruling within ten days after the  
15 termination of the hearing or, if a hearing officer has been designated,  
16 within ten days from the hearing officer's report.

17 (e) All orders or determinations hereunder shall be subject to review  
18 as provided in article seventy-eight of the civil practice law and  
19 rules.

20 (f) (1) Except as provided in paragraph two of this subdivision,  
21 anything contained in this section to the contrary notwithstanding, an  
22 operating certificate of a facility OR PROVIDER OF SERVICE shall be  
23 revoked upon a finding by the office that any individual, member of a  
24 partnership or shareholder of a corporation to whom or to which an oper-  
25 ating certificate has been issued, has been convicted of a class A, B or  
26 C felony or a felony related in any way to any activity or program  
27 subject to the regulations, supervision, or administration of the office  
28 or of the office of temporary and disability assistance, the department  
29 of health, or another office of the department of mental hygiene, or in  
30 violation of the public officers law in a court of competent jurisdic-  
31 tion of the state, or in a court in another jurisdiction for an act  
32 which would have been a class A, B or C felony in this state or a felony  
33 in any way related to any activity or program which would be subject to  
34 the regulations, supervision, or administration of the office or of the  
35 office of temporary and disability assistance, the department of health,  
36 or another office of the department of mental hygiene, or for an act  
37 which would be in violation of the public officers law. The commissioner  
38 shall not revoke or limit the operating certificate of any facility OR  
39 PROVIDER OF SERVICE, solely because of the conviction, whether in the  
40 courts of this state or in the courts of another jurisdiction, more than  
41 ten years prior to the effective date of such revocation or limitation,  
42 of any person of a felony, or what would amount to a felony if committed  
43 within the state, unless the commissioner makes a determination that  
44 such conviction was related to an activity or program subject to the  
45 regulations, supervision, and administration of the office or of the  
46 office of temporary and disability assistance, the department of health,  
47 or another office of the department of mental hygiene, or in violation  
48 of the public officers law.

49 (2) In the event one or more members of a partnership or shareholders  
50 of a corporation shall have been convicted of a felony as described in  
51 paragraph one of this subdivision, the commissioner shall, in addition  
52 to his OR HER other powers, limit the existing operating certificate of
