FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill will allow any county to elect to provide their correction officers and deputy sheriffs who are engaged in correction officer duties to become covered by the provisions of a special 20 year retirement plan, which will provide a benefit of one-half of final average salary upon retirement. The county may also elect an additional benefit of one sixtieth of final average salary for each year of service in excess of 20 years, not to exceed 15 such years.

If this bill is enacted, the increase in the annual contributions of a county electing to provide these benefits will depend on the current salary and plan coverage of the affected members in its employ, as well as on the proposed plan elected by such county. For the fiscal year ending March 31, 2017, the additional annual cost for the 20 year plan will be 4.8% of the affected correction officers' salaries for those currently covered by a 25 year plan, and 7.3% of the affected correction officers' salaries for those currently covered by an age 55 plan. The additional annual cost for the 20 year plan with additional sixtieths will be an additional 0.5% of the affected salaries. In future years, this annual cost will vary as the billing rates of these plans change.

In addition to the annual contributions discussed above, there will be an immediate past service cost for the affected officers which would depend on the current salary, plan, age and length of service of the officers, as well as on their proposed plan. This cost may be amortized over a period of up to 10 years as determined by the employing county which elects this benefit.
