- S 2. The town law is amended by adding a new section 190-h to read as follows:
- S 190-H. APPLICABILITY. THE PROVISIONS OF THIS ARTICLE SHALL ONLY APPLY WITHIN COUNTIES WITH A POPULATION OF ONE MILLION OR MORE WHICH DRAW THEIR PRIMARY SOURCE OF DRINKING WATER FOR A MAJORITY OF COUNTY RESIDENTS FROM A DESIGNATED SOLE SOURCE AQUIFER.
- S 3. Paragraph a of subdivision 1 of section 193 of the town law, as amended by chapter 378 of the laws of 2012, is amended to read as follows:
- Whenever a petition shall be presented to the town board pursuant to this article, for the establishment or extension of a sewer, wastewater disposal, drainage, water, water quality treatment, park, public parking, lighting, snow removal, water supply, sidewalk, refuse and garbage, aquatic plant growth control district, ambulance district, harbor improvement district, public dock district, beach erosion control district, watershed protection improvement district, UNDERGROUND UTILITY DISTRICT, or a fallout shelter district, the board shall IMPROVEMENT adopt an order and enter the same in the minutes of its proceedings, reciting in general terms the filing of such petition, the boundaries of proposed district, the improvements proposed, the maximum amount proposed to be expended for the improvement as stated in the petition or the maximum amount to be expended for the performance or supplying of services if a maximum amount is stated in the petition, the estimated cost of hook-up fees, if any, to, and the cost of the district or extension to, the typical property and, if different, the typical one or two family home, and specifying the time when and place where said board will meet to consider the petition and to hear all persons interested in the subject thereof, concerning the same. The board shall cause a such order, certified by the town clerk, to be published at least once in the official paper, the first publication thereof to be not less than ten nor more than twenty days before the day set therein for aforesaid, and shall also cause a copy thereof to be posted on the signboard of the town maintained pursuant to subdivision six of section thirty of this chapter, not less than ten nor more than twenty days before the day designated for the hearing as aforesaid. the town maintains a website, such information may also be provided on the website. Prior to the publication of a copy of the order, the board shall cause to be prepared, and file for public inspection with the town clerk, a detailed explanation of how the estimated cost of hook-up fees, if any, to, and the cost of the district or extension to, the typical property and, if different, the typical one or two family home was computed.
 - S 4. Section 198 of the town law is amended by adding a new subdivision 10-h to read as follows:
- 10-H. UNDERGROUND UTILITY IMPROVEMENT DISTRICT. AFTER AN UNDERGROUND UTILITY IMPROVEMENT DISTRICT HAS BEEN ESTABLISHED, THE TOWN BOARD MAY TAKE SUCH ACTION AS MAY BE REQUIRED TO ADOPT PLANS AND SPECIFICATIONS AND ENTER INTO A CONTRACT OR CONTRACTS, OR TAKE SUCH OTHER ACTIONS AS

- S 5. Subdivision 3 of section 202 of the town law, as amended by chapter 378 of the laws of 2012, is amended to read as follows:
- 9 10 3. The expense of the establishment of a park, public parking, water, 11 lighting, snow removal, water supply, water, water storage and distribution, sidewalk, refuse and garbage, aquatic plant growth control district, ambulance district, harbor improvement district, watershed 12 13 14 protection improvement district, UNDERGROUND UTILITY IMPROVEMENT DISTRICT, public dock district, fallout shelter district, or beach 15 erosion control district, and providing improvements or services, or 16 both, therefor, and of constructing lateral water mains pursuant to 17 18 paragraph (b) of subdivision one of section one hundred ninety-nine OF 19 THIS ARTICLE, shall be assessed, levied and collected from the several 20 and parcels of land within the district for each purpose in the same manner and at the same time as other town charges, except as other-21 wise provided by law. In the event that any order adopted pursuant to 22 section two hundred nine-d of this chapter for the establishment of a 23 24 water district, sidewalk district, a public parking district, a refuse 25 and garbage district, an aquatic plant growth control district, lighting 26 district, watershed protection improvement district, UNDERGROUND UTILITY IMPROVEMENT DISTRICT, or beach erosion and control district or that any 27 28 petition for the establishment of a water district, sidewalk district, a 29 public parking district, a refuse and garbage district, an aquatic plant growth control district, lighting district, or beach erosion control 30 district, shall contain a statement that the cost of constructing the 31 32 water system, sidewalks, lighting system, or acquiring and improving 33 lands for public parking or for refuse and garbage purposes or for beach 34 erosion control, or for watershed protection improvement district, OR 35 FOR UNDERGROUND UTILITY IMPROVEMENT DISTRICT, or for aquatic plant growth control, shall be assessed by the town board in proportion as 36 37 nearly as may be to the benefit which each lot or parcel will derive therefrom, the amount to be raised for the payment of the principal and 38 39 interest of the bonds issued for the construction of the water 40 sidewalks, lighting system, or acquiring and improving lands for public parking or for refuse and garbage purposes or for beach erosion control, 41 or for aquatic plant growth control, or for watershed protection 42 improvement district, OR FOR UNDERGROUND UTILITY IMPROVEMENT DISTRICT, 43 44 pursuant to such petition or order, shall be assessed on the lands with-45 in such district in the same manner as provided in the case of The expense of constructing lateral water mains pursuant to 46 47 paragraph (c) of subdivision one of section one hundred ninety-nine 48 THIS ARTICLE shall be assessed, levied and collected from the several 49 lots and parcels of land within the district in proportion to the area 50 of such lot or parcel of land to the total area of the district.
 - S 6. Subdivision 2 of section 202-b of the town law, as amended by chapter 378 of the laws of 2012, is amended to read as follows:
 - 2. The town board may, on behalf of a park, public parking, ambulance, lighting, snow removal, refuse and garbage, public dock, watershed protection improvement district, UNDERGROUND UTILITY IMPROVEMENT DISTRICT, or beach erosion control district, and within the limitations

S. 321--A 4 A. 99--A

of section one hundred ninety-eight of this chapter, acquire additional apparatus and equipment and replace obsolete, inadequate, damaged, destroyed or worn-out apparatus and equipment, and it may construct additional facilities and appurtenances thereto or reconstruct or replace obsolete, inadequate, damaged, destroyed or worn-out facilities and appurtenances thereto. Such expenditure shall be authorized in the manner provided in subdivision one of this section, except that the map and plan described by said subdivision one shall not be required. However, nothing herein contained shall be construed to limit or supersede the provisions of section seventy-two hundred three of the education law

- S 7. Subdivision 1 of section 209-a of the town law, as amended by chapter 378 of the laws of 2012, is amended to read as follows:
- 1. the term "improvement district" shall include only a sewer, wastewater disposal, drainage, water, park, public parking, lighting, snow removal, water supply, sidewalk, refuse and garbage, aquatic plant growth control, or watershed protection improvement district, OR UNDERGROUND UTILITY IMPROVEMENT DISTRICT, or ambulance district in any town, and, in any town bordering upon or containing within its boundaries any navigable water of this state a public dock or beach erosion control district;
- S 8. Subdivision 1 of section 209-d of the town law, as amended by chapter 378 of the laws of 2012, is amended to read as follows:
- 1. Subsequent to the date of the filing of the map, plans and report the office of the town clerk as required in section two hundred nine-c of this article the town board may adopt an order and enter the same in the minutes of its proceedings reciting a description of the boundaries of the proposed district or extension in a manner identify the lands included therein as in a deed of conveyance, the improvements proposed, the maximum amount proposed to be expended for the improvement, the estimated cost of hook-up fees, if any, to, and the of the district or extension to, the typical property and, if different, the typical one or two family home, the proposed method of financing to be employed, the fact that a map, plan and report describing the same are on file in the town clerk's office for public inspection and specifying the time when and the place where said board will meet and hold a public hearing to hear all persons interested in the subject thereof, concerning the same. If such order proposes only the performance or supplying of certain services, it may state the maximum amount to be expended annually for such services. The board shall cause a copy of such order to be published at least once in the official paper, the first publication thereof to be not less than ten nor more than twenty days before the day set therein for the hearing as said, and shall also cause a copy thereof to be posted on the sign-board the town maintained pursuant to subdivision six of section thirty of this chapter, not less than ten nor more than twenty days before the day designated for the hearing as aforesaid. Such order may further such place other than the town clerk's office where the map, plan and report may be examined in advance of the hearing, if the town board determines that, in the public interest, some other additional place is necessary or desirable. If a water district, sidewalk district, a public parking district, a refuse and garbage district, aquatic plant growth control district, watershed protection improvement district, UNDERGROUND UTILITY IMPROVEMENT DISTRICT, or beach erosion control district is proposed, such order may contain a statement that the cost of constructing the water system, sidewalks or acquiring lands for public parking or

for refuse and garbage purposes, or aquatic plant growth control purposes or for beach erosion control or for watershed protection improvement purposes, OR FOR UNDERGROUND UTILITY IMPROVEMENT PURPOSES, shall be assessed by the town board in proportion as nearly as may be to the benefit which each lot or parcel will derive therefrom. Prior to the publication of the order, the board shall cause to be prepared, and file for public inspection with the town clerk, a detailed explanation of how the estimated cost of hook-up fees, if any, to, and the cost of the district or extension to, the typical property and, if different, the typical one or two family home, was computed.

11 S 9. This act shall take effect immediately.
