AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

11 b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.

LBD12554-03-5

1 c) The several amounts specified in this chapter as capital projects -
2 reappropriations, or so much thereof as shall be sufficient to accom-
3 plish the purpose of the appropriations, as appropriated by comprehen-
4 sive construction programs (hereinafter referred to by the abbreviation
5 CCP), purposes, and projects, being the undisbursed and/or unexpended
6 balances of the prior year's appropriations, are reappropriated and
7 unless otherwise amended or repealed in part or total in this chapter
8 shall continue to be available for the same purposes as the prior appro-
9 priations or as otherwise amended for the fiscal year beginning April 1,
10 2015.

11 The capital projects reappropriations contained in this chapter may be
12 amended by repealing the items set forth in brackets and by adding ther-
13 eto the underscored material. Certain reappropriations in this chapter
14 are shown using abbreviated text, with three leader dots (an ellipsis)
15 followed by three spaces (...) used to indicate where existing law
16 that is being continued is not shown. However, unless a change is clear-
17 ly indicated by the use of brackets [] for deletions and underscores
18 for additions, the purpose, amounts, funding source and all other
19 aspects pertinent to each item of appropriation shall be as last appro-
20 priated.

21 For the purpose of complying with section 25 of the state finance law,
22 the year, chapter and section of the last act reappropriating a former
23 original appropriation or any part thereof is, unless otherwise indi-
24 cated, chapter 54, section 1, of the laws of 2014.

25 d) No moneys appropriated by this chapter shall be available for
26 payment until a certificate of approval has been issued by the director
27 of the budget, who shall file such certificate with the department of
28 audit and control, the chairperson of the senate finance committee and
29 the chairperson of the assembly ways and means committee.

30 e) The appropriations contained in this chapter shall be available for
31 the fiscal year beginning on April 1, 2015 except as otherwise noted.

Hazardous Waste Purpose

For payment by the state, as reimbursement or as an advance from responsible parties or volunteers for remedial and monitoring work at sites contaminated with hazardous waste. No portion of this appropriation shall be available for expenditure until a party or parties either responsible for a site or volunteering to cleanup a site have entered into an agreement with the commissioner of the department of environmental conservation or the commissioner's designee, and which agreement is approved by the director of the budget, providing for repayment to the state of an amount equal to the amount disbursed from this appropriation. A copy of such agreement shall be filed with the state comptroller, the chairman of the senate finance committee and chairman of the assembly ways and means committee.

Notwithstanding any other provision of law to the contrary, the comptroller is authorized to repay settlements or advances for specified remedial and monitoring projects from this fund with monies of the hazardous waste remedial fund received for such projects pursuant to consent orders and agreements to address sites contaminated with hazardous waste. The director of the budget shall certify to the comptroller the specific portions of this appropriation for which monies have been received pursuant to such consent orders and agreements (09AD15F7) 8,000,000

CAPITAL PROJECTS - REAPPROPRIATIONS 2015-16

For water resources purposes, shall be available for the state share of the costs of water quality improvement projects, as defined in section 56-0101 of the environmental conservation law, to implement the Long Island Sound Comprehensive Conservation Management Plan consistent with paragraph (b) of subdivision 1 of section 56-0303 of the environmental conservation law, and to implement wastewater treatment improvement projects in small upstate communities (09650257) ... 4,900,000 (re. \$668,000)

By chapter 54, section 1, of the laws of 1990, as amended by chapter 54, section 1, of the laws of 2002:

For the state share of the costs of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1990, in accordance with the provisions of title 3 of article 51 of the environmental conservation law as amended, to provide state matching funds for projects scheduled to receive construction grants from federal fiscal years 1989 and 1990 funds, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget. No such certificates of approval of availability shall be issued for or include funds for projects which have not received a federal grant for the construction of sewage treatment related facilities.

Notwithstanding the provisions of any general or special law, the amounts hereby appropriated shall have all disbursements reimbursed from the Pure Waters Bond Act proceeds authorizations and are contingent upon the partial repeal of existing capital projects fund authorizations elsewhere in this chapter. The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification (09019057) ... 4,609,600 (re. \$1,466,000)

In order to provide for transportation improvements on the State's transportation system and to minimize impacts on New York State Thruway Authority tolls, not less than 47.622 percent of the funds appropriated in the following capital projects appropriation, identified by reference number 17A31522, shall be for the Thruway stabilization program, for the payment of costs related to the New NY bridge and bridge-related transportation improvements, and for other costs of the thruway authority including, but not limited to, its core capital program. Costs may include, but not be limited to, construction, reconstruction, reconditioning and preservation, including work appurtenant and ancillary thereto, may include the acquisition of property, and may include engineering services, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; appraisals, surveys, testing and environmental impact statements; personal services, nonpersonal services, fringe and indirect costs and the services provided by private firms.

Funds appropriated in the following capital projects appropriation, identified by reference number 17A31522, may be used for the payment of liabilities incurred prior to April 1, 2015 and may be suballocated or transferred to any department, agency, or public authority for the purposes set forth above, in accordance with the percentages of prescribed uses referenced above.

No funds may be made available from the following capital projects appropriation, identified by reference number 17A31522, unless the director of the budget has approved a plan that determines all proposed uses of the funds to be in the public interest.
