21 in the county of Monroe shall be managed, operated, and controlled by a

24 their election. At the first regular meeting of the board of trustees of
25 the district, the trustees shall determine when the terms of office of
26 each member shall expire as follows: the trustees receiving the first
27 and second highest number of votes shall each serve for five years, the
28 trustees receiving the third and fourth highest number of votes shall
29 each serve for four years, the trustees receiving the fifth and sixth
30 highest number of votes shall each serve for three years, the trustees
31 receiving the seventh and eighth highest number of votes shall serve for
32 two years and the trustee receiving the ninth highest number of votes
33 shall serve for one year. As vacancies occur due to expiration of terms

35 the election provided for by this act to serve five year terms, such
36 terms to commence at the first regular meeting of the board of trustees
37 of the district next following their election. All other vacancies
38 caused by resignation, removal, death, or inability to serve shall be
39 filled by appointment by the board of trustees of the district until the
40 next election, at which time the vacancy shall be filled by election for
41 the remaining portion of the term. At any election where one or more
42 persons are to be elected for the unexpired portion of a term or terms,
43 the candidate receiving the largest number of votes shall be entitled to
44 the full five year term and the candidates receiving the next highest
45 number of votes shall be entitled, in decreasing order of the respective
46 numbers of votes, to the vacancy or vacancies, in decreasing order of
47 the length of the unexpired portion or portions of a term or terms. Only
48 qualified voters of the district shall be eligible for election to the
49 board of trustees. The board of trustees at its first meeting after each
50 annual election shall elect or appoint a president, vice-president, and
51 a secretary, who shall be members of the board, and a treasurer and such
52 other officers as they deem necessary. If the board so determines, the
53 office of treasurer may be held by an individual who is not a member of
54 the board of trustees and, in that event, such officer may, if the board
55 so determines, receive compensation as fixed by resolution of the board.

1 S 4. Finances. 1. The initial budget to support the district shall be
2 determined by a vote of the voters of the district in the initial
3 election as hereinafter provided for. All future budgets that increase
4 or decrease the district's proposed tax levy as compared to the tax levy
5 in the preceding fiscal year's budget shall be submitted to the resi-
6 dents voting at the annual election of trustees pursuant to section two
7 of this act. Funds voted for library purposes at the initial election
8 and at all future elections shall be considered an annual appropriation
9 therefor and shall be levied and collected yearly by the towns of Sweden
10 and Clarkson for the district in the same manner and at the same time as
11 other taxes in the towns of Sweden and Clarkson.

12 2. The district's fiscal year shall run from the first day of January
13 to the thirty-first day of December. The board of trustees of the
14 district shall annually file with the clerk of the towns on or before
15 the first day of November an estimate of the proposed budget including
16 costs of library services to be raised by levy for the library district
17 in the fiscal year beginning on the first day of January of the next
18 year. The towns shall not make any change in the estimate of revenues or
19 expenditures submitted by the board of the district in preparation of
20 their preliminary budgets.

21 3. The town board of the town of Sweden shall levy a tax against the
22 real property lying within the district, except the real property lying
23 within the town of Clarkson, and the town board of the town of Clarkson
24 shall levy a tax against the real property lying within the district,
25 except real property lying within the town of Sweden, which together
26 shall equal the amount to be raised by tax as approved by the voters of
27 the district. Such tax shall be levied by the town of Sweden and the
28 town of Clarkson in proportion to the total combined value of the real
29 property lying within the town of Sweden and the town of Clarkson,
30 including the parcels lying within the village of Brockport. The town
31 boards shall pay the full amount of the tax levy approved by the voters
32 over to the treasurer of the district pursuant to the schedule set forth
33 in this section. The town boards shall each annually pay over to the
34 treasurer of the district on or before the thirtieth day after their
35 respective tax collection period ends, the full amount of the levy due
36 from the parcels subject to their respective pay levy. If necessary to
37 meet this schedule, the town boards may issue tax anticipation notes
38 pursuant to article II of the local finance law to obtain the necessary
39 moneys therefor.

40 4. The town boards of the towns of Sweden and Clarkson shall have the
41 power to authorize, sell, and issue bonds, notes, and other evidences of
42 indebtedness pursuant to the local finance law in order to permit the
43 district to provide facilities or improved facilities for library
44 purposes. Upon written request from the board of trustees of the
45 district, after approval by the qualified voters of such district, and
46 to the extent the proposed capital improvements to the library facili-
47 ties are to be constructed within the respective municipality, the town
48 boards shall authorize, sell, and issue such bonds, notes, or other
49 evidences of indebtedness as are necessary to accomplish the improve-
50 ments specified in the notice. The proceeds of such bonds, notes, or
51 other evidences of indebtedness shall be paid to the treasurer of the
52 district maintained in a segregated account in accordance with section
53 165.00 of the local finance law and expended by the treasurer only on
54 specific authorization by the board of trustees.

55 5. The board of trustees of the district may accept on behalf of the
56 district any absolute gift, devise, or bequest of real or personal prop-

erty and such conditional gifts, devises, or bequests as it shall by resolution approve.

6. The treasurer of the district shall be custodian of all funds of the district, including gifts and trust funds paid over to the trustees. The board of trustees may authorize the investment of funds in the custody of the treasurer in the same manner in which town funds may be invested. Proceeds of obligations received from the town may be invested in accordance with section 165.00 of the local finance law. The town of Sweden and the town of Clarkson shall promptly pay over to the district all monies which belong to or are raised for the district. No monies shall be disbursed by the treasurer of the district except after audit by the board of trustees. The board of trustees of the district shall audit all claims and shall order the payment thereof, except as otherwise provided by this section. No such claims shall be audited or ordered paid by the trustees unless an itemized voucher therefor shall be presented to the board of trustees for audit and allowance. The provisions of this section shall not be applicable to payment of utility costs, claims of fixed salaries, and amounts which the district may be required to pay on account of retirement contributions for past or current services to officers and employees of the district. The treasurer shall keep such records in such manner as the board of trustees may require.

S 5. Charter, commencement of operations, and transfer of property and employees. The initially elected trustees of the district shall, within ninety days from the date of approval of the district by the voters of the district, apply to the board of regents for a charter as a public library. Upon the granting of such a charter by the board of regents, title to all liabilities and assets, including all property, both real and personal, and both tangible and intangible, all trust and other funds, and all other obligations, now held by the existing Seymour library in the county of Monroe shall be transferred to, vested in, and be acquired by the district established by this act. The above provisions for transfer to, vesting and acquisition of real and personal property, both tangible and intangible, and all trust and other funds, are effectuated by operation of law pursuant to the authority of this act, except that, for purposes of clarity of real property records, deeds of conveyance shall be executed and filed for any parcels of real property. Upon the transfer of all such property, the existing Seymour library in the county of Monroe shall be deemed dissolved. Upon the granting of such charter by the board of regents, all employees of the existing Seymour library shall become employees of the district upon the same terms and conditions of employment and at the same rate of pay as their previous employment by the existing Seymour library.

S 6. Ad valorem levy. The several lots and parcels of land within the area of the district are hereby determined to be benefited by the library facilities and devices existing as of the effective date of this act, and the towns of Sweden and Clarkson are hereby authorized to assess, levy, and collect the necessary expenses of operation, maintenance, and repair of such facilities and services and such capital improvements, including debt service on bonds, notes, or other evidences of indebtedness of the town issued for the purpose of the district, as may be hereafter authorized pursuant to the provisions of this act from such lots and parcels of land in the same manner and at the same time as other town charges.

1 S 7. Education law. Except as otherwise provided by this act, the
2 provisions of the education law relating to public libraries shall be
3 applicable to the district established by this act.

4 S 8. The district is deemed a special district which is separate and
5 distinct from the towns and village for all purposes, including but not
6 limited to management, appropriations, and expenditures. Any tax levy
7 for the district shall not be charged or imputed to the towns or
8 village, and shall instead be charged or imputed to the district, for
9 purposes of any general or special laws enacted by the legislature.

11 authorities law relating to the construction and financing of facilities
12 for certain public libraries, is amended by adding a new subdivision 49
