AN ACT to direct the metropolitan transportation authority to study the feasibility and impact of installing sliding access doors on subway platforms

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1     Section 1. The metropolitan transportation authority shall conduct a  
2     study to examine the feasibility and impact of the installation of slid-  
3     ing access doors upon platforms at subway facilities operated by such  
4     authority including, but not limited to the following issues:  
5        (a) increased benefits to the safety of customers;  
6        (b) the likelihood of fatality prevention; and  
7        (c) the fiscal impact of installation.  
8     S 2. The metropolitan transportation authority shall ensure proper  
9     operation of all security cameras at all subway stations operated by  
10    such authority.  
11    S 3. The metropolitan transportation authority shall:  
12        (a) install instant communications devices, commonly referred to as  
13        "help point" systems, at all subway stations operated by such authority;  
14        and  
15        (b) develop policies and procedures relative to customer use of  
16        instant communications devices to contact rail control centers oversee-  
17        ing subway traffic.  
18    S 4. This act shall take effect immediately.
