10. Compensation for certain state employees in the state university and certain employees of contract colleges at Cornell and Alfred universities.

Such increases in basic annual salary rates shall not exceed in the aggregate two percent of the total basic annual salary rates in effect on June 30, 2015[, two] AND FIVE percent of the total basic annual salary rates in effect on March 31, 2016[, two percent of the total basic annual salary rates in effect on March 31, 2017 and one percent of the total basic annual salary rates in effect on March 31, 2018].
(c) During the period July 1, 2015 through March 31, 2019, the basic annual salary of incumbents of positions in the non-professional service that, in the opinion of the director of employee relations, would be designated managerial or confidential were they subject to article 14 of the civil service law, except those positions in the Cornell service and maintenance unit that are subject to the terms of a collective bargaining agreement between Cornell university and the employee organization representing employees in such positions and except those positions in the Alfred service and maintenance unit that are subject to the terms of a collective bargaining agreement between Alfred university and the employee organization representing employees in such positions, in institutions under the management and control of Cornell and Alfred universities as representatives of the board of trustees of the state university may be increased pursuant to plans approved by the state university trustees.
