(10) The banking institution's participation in governmentally-insured, guaranteed or subsidized loan programs for housing, small businesses or small farms;

(b) In assessing the record of performance of a banking institution pursuant to the provisions of paragraph (a) of this subdivision, the superintendent may, where he or she deems it appropriate, provide for public hearings when an objection to the banking institution's application or notification has been submitted.

(c) An assessment of a banking institution's record of performance under paragraph (a) of this subdivision may be the basis for denying an application or notice under the provisions of this section.

(d) When taking any action pursuant to paragraph (a) of this subdivision, the superintendent shall request from the applicant or notificant banking institution and from the appropriate federal bank regulatory authorities any documents, other than those required to be filed with the superintendent by this section or by other applicable statutes or regulations, which are (1) filed with the federal bank regulatory authorities in connection with the application or notice or (2) produced by the applicant or notificant banking institution or others in connection with the application or notice.
