AN ACT to amend the education law, in relation to the use and sale of tobacco at state-operated institutions of the state university of New York

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The legislature finds and declares
2 that it shall be the policy of the state university of New York (SUNY)
3 to ensure that all state-operated campuses embrace a tobacco-free envi-
4 ronment. Tobacco use is the number one preventable cause of death in the
5 United States and accounts for more annual deaths than suicide, murder,
6 HIV/AIDS, alcohol use, illegal drug use and motor vehicle injuries
7 combined. Using tobacco is a personal choice, a tobacco-free policy does
8 not take away an individual's right to choose to use tobacco, it does
9 limit where a person may use tobacco. SUNY respects an individual's
10 right to choose to use tobacco off campus, in places where it is accept-
11 able to do so. SUNY is first and foremost an educational institution.

12 § 2. Section 355 of the education law is amended by adding a new
13 subdivision 20 to read as follows:

14 20. The following are prohibited at state-operated institutions of the
15 state university of New York:

16 a. the use or sale of tobacco on all grounds and facilities owned,
17 leased or controlled by the state university or its related entities,
18 including indoor and outdoor locations; and

19 b. the use of tobacco in vehicles owned, rented or leased by the state
20 university or its affiliated entities. For purposes of this subdivision,
21 the "affiliated entities" of the state-operated institutions of the
22 state university are the foundations, auxiliary services corporations,
23 and alumni associations and subsidiaries thereof.

24 § 3. This act shall take effect September 1, 2019.
