Introduced by M. of A. HEVESI -- read once and referred to the Committee on Energy

AN ACT to amend the energy law, in relation to consumer audio and video products energy efficiency standards

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph (a) of subdivision 2 of section 16-106 of the energy law, as added by chapter 431 of the laws of 2005, is amended to read as follows:

3 (a) On or before [June thirtieth, two thousand six] January thirtyfirst, two thousand nineteen, the secretary, in consultation with the president, shall adopt regulations in accordance with the provisions of this article establishing: (i) energy efficiency performance standards for new products of the types set forth in paragraphs (a) through (n) of 9 subdivision one of section 16-104 of this article, with the exception of such [paragraph] paragraphs (e) (consumer audio and video products) and 10 (g) (incandescent reflector lamps); (ii) procedures for testing the 12 energy efficiency of the products covered by paragraphs (a) through (n) 13 of subdivision one of section 16-104 of this article; (iii) procedures 14 for manufacturers to certify that products covered under this article 15 meet the energy efficiency standards to be promulgated under this article; and (iv) such further matters as are necessary to insure the proper implementation and enforcement of the provisions of this article. With 17 18 respect to consumer audio and video products, the secretary, in consultation with the president, shall conduct a study to determine whether an 19 20 energy performance standard for such products should be established, 21 taking into account factors including but not limited to, the potential 22 impact on electricity usage, product availability, manufacturing cost, innovation, product convergence, product features and function, and 23 24 consumer and environmental benefits. Based on the recommendations of 25 such study, the secretary, in consultation with the president, may adopt

1 regulations in accordance with the provisions of this article establishing energy performance standards for such products on or before January 3 thirty-first, two thousand nineteen. With respect to incandescent 4 reflector lamps, included in paragraph (g) of subdivision one of section 16-104 of this article, the secretary, in consultation with the president, shall conduct a study to determine whether an energy efficiency performance standard for such product should be established, taking into 7 account factors including the potential impact on electricity usage, 9 product availability and consumer and environmental benefits. If it is 10 determined based on this study that such a standard would reduce energy 11 use and would not be preempted by the federal law, the secretary, 12 consultation with the president, shall adopt regulations in accordance with the provisions of this article establishing energy performance 13 14 standards for such product on or before January first, two thousand 15 eight. 16

16 § 2. This act shall take effect immediately; provided, however, that 17 no energy efficiency performance standard shall become effective for a 18 product less than one hundred eighty days after such energy efficiency 19 performance standard shall become final.
