Introduced by M. of A. BUCHWALD -- read once and referred to the Committee on Health

AN ACT to amend the public health and education law, in relation to the provision of practice management, billing and health information technology services for healthcare facilities and professionals

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 2811 of the public health law, as added by chapter 776 of the laws of 1971 and as renumbered by chapter 649 of the laws of 1975, is amended to read as follows:

- § 2811. Discounts and splitting fees with medical referral services; prohibited. No hospital or facility delivering health care shall grant or receive a discount to or from any medical referral service or in any 7 manner split fees with a medical referral service; provided, however, that nothing contained in this chapter shall prohibit such facilities or licensed professionals from paying a fair market value fee to any person or entity whose purpose is to perform practice management, billing or health information technology services based upon a percentage of fees 12 billed or collected, a flat fee, or any other arrangement that directly or indirectly divides fees, for such purposes, provided that:
- 1. the person or entity providing practice management, billing or 14 health information technology services is not responsible for the amount 15 of fees charged and collected for the services rendered by such facility 16 17 or licensed professional;
- 18 2. all charges collected are paid directly to the facility or to the 19 licensed professional or are deposited directly into an account in the name of and under the sole control of the facility or licensed profes-20 21 sional; and
- 22 3. the person or entity providing practice management, billing or health information technology services does not refer patients to the 23

professionals shall submit both to the medical or dental expense indemnity corporation and to the subscriber statements itemizing the services rendered by each such professional and the charges therefor. 3 4 contained in this chapter shall prohibit such professionals from paying a fair market value fee to any person or entity whose purpose is to 6 perform practice management, billing or health information technology 7 services based upon a percentage of fees billed or collected, a flat fee, or any other arrangement that directly or indirectly divides fees, 8 9 for such purposes, provided that:

- (1) the person or entity providing practice management, billing or health information technology services is not responsible for the amount of fees charged and collected for the services rendered by such professional;
- (2) all charges collected are paid directly to the professional or are deposited directly into an account in the name of and under the sole control of the professional; and
- (3) the person or entity providing practice management, billing or health information technology services does not refer patients to the professional and that payments made are not related to or compensating for the referral of patients to the professional.
- § 3. Subdivision 19 of section 6530 of the education law, as added by chapter 606 of the laws of 1991, is amended to read as follows:
- 19. Permitting any person to share in the fees for professional services, other than: a partner, employee, associate in a professional 24 firm or corporation, professional subcontractor or consultant authorized to practice medicine, or a legally authorized trainee practicing under the supervision of a licensee. This prohibition shall include any arrangement or agreement whereby the amount received in payment for 28 furnishing space, facilities, equipment or personnel services used by a licensee constitutes a percentage of, or is otherwise dependent upon, 30 31 the income or receipts of the licensee from such practice, except as 32 otherwise provided by law with respect to a facility licensed pursuant to article twenty-eight of the public health law or article thirteen of 33 34 the mental hygiene law. Nothing contained in this chapter shall prohibit such professionals from paying a fair market value fee to any person or entity whose purpose is to perform practice management, billing or health information technology services based upon a percentage of fees billed or collected, a flat fee, or any other arrangement that directly or indirectly divides fees, for such purposes, provided that:
- 40 (a) the person or entity providing practice management, billing or health information technology services is not responsible for the amount 41 42 of fees charged and collected for the services rendered by such professional; 43
- 44 (b) all charges collected are paid directly to the professional or are 45 deposited directly into an account in the name of and under the sole 46 control of the professional; and
- 47 (c) the person or entity providing practice management, billing or 48 health information technology services does not refer patients to the 49 professional and that payments made are not related to or compensating for the referral of patients to the professional. 50
 - § 4. This act shall take effect immediately.
