2 section, the terms "telephony and telegraphy" and "telephone and tele-
3 graph service" include mobile telecommunications service.

4 2. A tax imposed pursuant to this section shall have application only
5 within the territorial limits of any such city, and shall be in addition
6 to any and all other taxes. ~~[This]~~ Except as otherwise provided, this
7 section shall not authorize the imposition of a tax on any transaction
8 originating or consummated outside of the territorial limits of any such
9 city, notwithstanding that some act be necessarily performed with
10 respect to such transaction within such limits. Any tax on mobile tele-
11 communications service authorized to be imposed by this section must be
12 imposed only on mobile telecommunications service provided by a home
13 service provider where the mobile telecommunications customer's place of
14 primary use is within the territorial limits of the city. For purposes
15 of any tax imposed pursuant to the authority of this section, the terms
16 "mobile telecommunications service", "place of primary use", "mobile
17 telecommunications customer", and "home service provider" shall have the
18 same meaning as those terms have in paragraphs twenty-four, twenty-six
19 and twenty-seven, respectively, of subdivision (b) of section eleven
20 hundred one of the tax law.

21 3. Revenues resulting from the imposition of taxes authorized by this
22 section heretofore or hereafter imposed shall be paid into the treasury

26 eighty-six-a and one hundred eighty-six-e of the tax law, so far as the
27 same are or can be made applicable, with such limitations as are set
28 forth in this section, and such modifications as may be necessary in
29 order to adapt such taxes to local conditions shall apply to the taxes
30 authorized by this section.

31 5. Any final determination of the amount of any tax payable hereunder
32 shall be reviewable for error, illegality or unconstitutionality or any
33 other reason whatsoever by a proceeding under article seventy-eight of
34 the civil practice law and rules if application therefor is made to the
35 supreme court within thirty days after the giving of the notice of such
36 final determination, provided, however, that any such proceeding under
37 article seventy-eight of the civil practice law and rules shall not be
38 instituted unless the amount of any tax sought to be reviewed, with such
39 interest and penalties thereon as may be provided for by local law or
40 regulation, shall be first deposited and an undertaking filed, in such
41 amount and with such sureties as a justice of the supreme court shall
42 approve to the effect that if such proceeding be dismissed or the tax
43 confirmed the petitioner will pay all costs and charges which may accrue
44 in the prosecution of such proceeding.

45 6. Where any tax imposed hereunder shall have been erroneously, ille-
46 gally or unconstitutionally collected and application for the refund
47 thereof duly made to the proper fiscal officer or officers, and such
48 officer or officers shall have made a determination denying such refund,
49 such determination shall be reviewable by a proceeding under article
50 seventy-eight of the civil practice law and rules, provided, however,
51 that such proceeding is instituted within thirty days after the giving
52 of the notice of such denial, that a final determination of tax due was
53 not previously made, and that an undertaking is filed with the proper
54 fiscal officer or officers in such amount and with such sureties as a
55 justice of the supreme court shall approve to the effect that if such
56 proceeding be dismissed or the tax confirmed, the petitioner will pay

2 proceeding.

3 § 2. Section 5-530 of the village law is amended to read as follows:

4 § 5-530 Villages authorized to impose taxes on utilities. 1. Notwith-
5 standing any other provisions of law to the contrary, any village is
6 hereby authorized and empowered to adopt and amend local laws imposing
7 in any such village a tax such as was imposed by section one hundred
8 eighty-six-a of the tax law, in effect on January first, nineteen
9 hundred fifty-nine, except that the term "utility" as defined in that
10 section also includes any provider of telecommunication services, as
11 defined in paragraph (e) of subdivision one of section one hundred
12 eighty-six-e of the tax law, and except that the rate thereof shall not
13 exceed one per centum of gross income or of gross operating income, as
14 the case may be, and may make provision for the collection thereof by

32 imposed by this section must be imposed only on mobile telecommuni-
33 cations service provided by a home service provider where the mobile
34 telecommunications customer's place of primary use is within the terri-
35 torial limits of the village. For purposes of any tax imposed pursuant
36 to the authority of this section, the terms "mobile telecommunications
37 service", "place of primary use", "mobile telecommunications customer",
38 and "home service provider" shall have the same meaning as those terms
39 have in paragraphs twenty-four, twenty-six, and twenty-seven, respec-
40 tively, of subdivision (b) of section eleven hundred one of the tax law.

41 3. Revenues resulting from the imposition of taxes authorized by this
42 section heretofore or hereafter imposed shall be paid to the treasurer
43 of the village imposing the same, and shall be credited to and deposited
44 in the general fund of such village.

45 ~~[3-]~~ 4. All of the provisions of ~~[section]~~ sections one hundred eight-
46 y-six-a and one hundred eighty-six-e of the tax law, so far as the same

9 under shall be reviewable for error, illegality, or unconstitutionality
10 or any other reason whatsoever by a proceeding under article seventy-
