AN ACT to amend the executive law, in relation to creating uniform baseline standards for drug testing persons on probation or parole

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 243 of the executive law is amended by adding a new
2 subdivision 5 to read as follows:

3 5. (a) The director, after consultation with the state probation
4 commission, the commissioner, and the commissioner of health, shall
5 promulgate uniform baseline standards for drug testing persons on
6 probation. Such baseline standards must instruct local probation depart-
7 ments on the minimal procedures to be used during court ordered drug
8 testing and must require local probation departments to test for:

9 (i) Opiates.

10 (ii) Cocaine.

11 (iii) Marihuana.

12 (iv) Synthetic cannabinoids.

13 (v) Hallucinogenic substances.

14 (vi) Amphetamines.

15 (b) This subdivision shall not preempt local probation departments and
16 municipalities with stricter baseline standards already in place.

17 § 2. Section 259-c of the executive law is amended by adding a new
18 subdivision 18 to read as follows:

19 18. (a) recommend uniform baseline standards for drug testing parolees
20 to the commissioner of the department of corrections and community
21 supervision, who in consultation with the commissioner of health, shall
22 promulgate such baseline standards for drug testing parolees. Such base-
23 line standards must instruct the department on minimal procedures to be
