§ 2899-d. Definitions. As used in this article: 1 2 "Adult" means an individual who is eighteen years of age or older. 1. 3 2. "Attending physician" means the physician who has primary responsi-4 bility for the care of the patient and treatment of the patient's termi-5 nal disease. б 3. "Capacity" or "capacity to make an informed decision" means the 7 ability to understand and appreciate the nature and consequences of 8 health care decisions, including the benefits and risks of and alterna-9 tives to any proposed health care, and to reach an informed decision. 10 4. "Consulting physician" means a physician who is gualified by 11 specialty or experience to make a professional diagnosis and prognosis regarding a person's terminal illness. 12 13 5. "Health care facility" means a general hospital, nursing home, or 14 residential health care facility as defined in section twenty-eight hundred one of this chapter. 15 16 6. "Health care provider" means a person licensed, certified, or authorized by law to administer health care or dispense medication in 17 18 the ordinary course of business or practice of a profession. 19 7. "Informed decision" means a decision by a patient who is suffering 20 from a terminal illness to request and obtain a prescription for medication that the patient may self-administer to end the patient's life that 21 is based on an understanding and acknowledgment of the relevant facts 22 and that is made after being fully informed of: 23 24 (a) the patient's medical diagnosis and prognosis; 25 (b) the potential risks associated with taking the medication to be 26 prescribed; 27 (c) the probable result of taking the medication to be prescribed; (d) the possibility that the patient may choose not to obtain the 28 medication, or may obtain the medication but may decide not to self-ad-29 30 minister it; and 31 (e) the feasible alternatives or additional treatment opportunities, 32 including palliative care and hospice care. 33 8. "Medical aid in dying" means the medical practice of a physician 34 prescribing medication to a qualified individual that the individual may 35 choose to self-administer to bring about death. 9. "Medically confirmed" means the medical opinion of the attending 36 physician that a patient has a terminal illness has been confirmed by a 37 consulting physician who has examined the patient and the patient's 38 relevant medical records. 39 10. "Medication" means medication prescribed by a physician under this 40 41 article. 42 11. "Mental health professional" means a physician, nurse practition-43 er, physician assistant or psychologist, licensed or certified under the education law acting within his or her scope of practice and who is 44 45 qualified, by training and experience, certification, or board certif-46 ication or eligibility, to make a determination under section twenty-47 eight hundred ninety-nine-i of this article; provided that in the case 48 of a nurse practitioner or physician assistant, the professional shall 49 not have a collaborative agreement or collaborative relationship with or 50 be supervised by the attending physician or consulting physician. 51 12. "Palliative care" means health care treatment, including interdisciplinary end-of-life care, and consultation with patients and family 52 members, to prevent or relieve pain and suffering and to enhance the 53 patient's quality of life, including hospice care under article forty of 54

55 this chapter.

1	13. "Patient" means a person who is eighteen years of age or older
2	under the care of a physician.
3	14. "Physician" means an individual licensed to practice medicine in
4	New York state.
5	15. "Qualified individual" means a patient with a terminal illness,
б	who has capacity, has made an informed decision, and has satisfied the
7	requirements of this article in order to obtain a prescription for medi-
8	cation.
9	16. "Self-administer" means a qualified individual's affirmative,
10	conscious, and voluntary act of using medication under this article.
11	17. "Terminal illness" means an illness that will, within reasonable
12	medical judgment, result in death within six months, whether or not
13	treatment is provided.
14	§ 2899-e. Request process. 1. Oral and written request. A patient
15	wishing to request medication under this article shall make an oral
16	request and submit a written request to the patient's attending physi-
17	cian.
18	2. Making a written request. A patient may make a written request for
19	and consent to self-administer medication for the purpose of ending his
20	or her life in accordance with this article if the patient:
21	(a) has been determined by the attending physician to have a terminal
22	illness and which has been medically confirmed by a consulting physi-
23	cian; and
24	(b) voluntarily expresses the request for medication.
25	3. Written request signed and witnessed. (a) A written request for
26	medication under this article shall be signed and dated by the patient
27	and witnessed by at least two adults who, in the presence of the
28	patient, attest that to the best of his or her knowledge and belief the
29	patient has capacity, is acting voluntarily, and is not being coerced to
30	sign the request. The written request shall be in substantially the form
31	described in section twenty-eight hundred ninety-nine-k of this article.
32	(b) One of the witnesses shall be an adult who is not:
33	(i) a relative of the patient by blood, marriage or adoption;
34	(ii) a person who at the time the request is signed would be entitled
35	to any portion of the estate of the patient upon death under any will or
36	by operation of law; or
37	(iii) an owner, operator or employee of a health care facility where
38	the patient is receiving treatment or is a resident.
39	(c) The attending physician, consulting physician and, if applicable,
40	the mental health professional who provides a capacity determination of
41	the patient under this article shall not be a witness.
42	4. No person shall qualify for medical aid in dying under this article
43	solely because of age or disability.
44	§ 2899-f. Attending physician responsibilities. 1. The attending
45	physician shall:
46	(a) make the determination of whether a patient has a terminal
47	illness, has capacity, has made an informed decision and has made the
48	request voluntarily and without coercion;
49	(b) inform the patient of the requirement under this article for
50	confirmation by a consulting physician, and refer the patient to a
51	consulting physician upon the patient's request;
52	(c) refer the patient to a mental health professional pursuant to
53	section twenty-eight hundred ninety-nine-i of this article if the
54	attending physician believes that the patient lacks capacity to make an
55	informed decision;

1	(d) provide information and counseling under section twenty-nine
2	hundred ninety-seven-c of this chapter;
3	(e) ensure that the patient is making an informed decision by discuss-
4	ing with the patient: (i) the patient's medical diagnosis and prognosis;
5	(ii) the potential risks associated with taking the medication to be
б	prescribed; (iii) the probable result of taking the medication to be
7	prescribed; (iv) the possibility that the patient may choose to obtain
8	the medication but not take it; and (v) the feasible alternatives or
9	additional treatment opportunities, including but not limited to pallia-
10	tive care and hospice care;
11	(f) discuss with the patient the importance of:
12	(i) having another person present when the patient takes the medica-
13	tion; and
14	(ii) not taking the medication in a public place;
15	(g) inform the patient that he or she may rescind the request for
16	medication at any time and in any manner;
17	(h) fulfill the medical record documentation requirements of section
18	twenty-eight hundred ninety-nine-j of this article; and
19	(i) ensure that all appropriate steps are carried out in accordance
20	with this article before writing a prescription for medication.
21	2. Upon receiving confirmation from a consulting physician under
22	section twenty-eight hundred ninety-nine-h of this article and subject
23	to section twenty-eight hundred ninety-nine-i of this article, the
24	attending physician who makes the determination that the patient has a
25	terminal illness, has capacity and has made a request for medication as
26	provided in this article, may personally, or by referral to another
27	physician, prescribe or order appropriate medication in accordance with
28	the patient's request under this article, and at the patient's request,
29	facilitate the filling of the prescription and delivery of the medica-
30	tion to the patient.
31	3. In accordance with the direction of the prescribing or ordering
32	physician and the consent of the patient, the patient may self-adminis-
33	ter the medication to himself or herself. A health care professional or
34	other person shall not administer the medication to the patient.
35	§ 2899-g. Right to rescind request; requirement to offer opportunity
36	to rescind. 1. A patient may at any time rescind his or her request for
37	medication under this article without regard to the patient's capacity.
38	2. A prescription for medication may not be written without the
39	attending physician offering the qualified individual an opportunity to
40	rescind the request.
41 42	§ 2899-h. Consulting physician responsibilities. Before a patient who is requesting medication may receive a prescription for medication under
42 43	this article, a consulting physician must:
43 44	1. examine the patient and his or her relevant medical records;
44 45	2. confirm, in writing, to the attending physician: (a) that the
46	patient has a terminal illness; (b) that the patient is making an
47	informed decision; (c) that the patient has capacity, or provide
48	documentation that the consulting physician has referred the patient for
49	a determination under section twenty-eight hundred ninety-nine-i of this
50	article; and (d) that the patient is acting voluntarily and without
50 51	coercion.
52	§ 2899-i. Referral to mental health professional. 1. If the attending
53	physician or the consulting physician believes that the patient may lack
55 54	capacity, the attending physician or consulting physician shall refer
55	the patient to a mental health professional for a determination of
56	whether the patient has capacity. The referring physician shall advise

1	the patient that the report of the mental health professional will be
2	provided to the attending physician and the consulting physician.
3	
	2. A mental health professional who evaluates a patient under this
4	section shall report, in writing, to the attending physician and the
5	consulting physician, his or her conclusions about whether the patient
6	has capacity to make an informed decision. If the mental health profes-
7	sional determines that the patient lacks capacity to make an informed
8	decision, the patient shall not be deemed a qualified individual, and
9	the attending physician shall not prescribe medication to the patient.
10	§ 2899-j. Medical record documentation requirements. An attending
11	physician shall document or file the following in the patient's medical
12	record:
13	1. the dates of all oral requests by the patient for medication under
14	this article;
15	2. the written request by the patient for medication under this arti-
16	cle;
17	3. the attending physician's diagnosis and prognosis, determination of
	capacity, and determination that the patient is acting voluntarily and
18	
19	without coercion, and has made an informed decision;
20	4. if applicable, written confirmation of capacity under section twen-
21	ty-eight hundred ninety-nine-i of this article; and
22	5. a note by the attending physician indicating that all requirements
23	under this article have been met and indicating the steps taken to carry
24	out the request, including a notation of the medication prescribed or
25	ordered.
26	<u>§ 2899-k. Form of written request and witness attestation. 1. A</u>
27	request for medication under this article shall be in substantially the
28	following form.
20	following form:

20	§ 2899-1. Protection and immunities. 1. A physician, pharmacist, other
21	health care professional or other person shall not be subject to civil
22	or criminal liability or professional disciplinary action by any govern-
23	ment entity for taking any reasonable good-faith action or refusing to
24	act under this article, including, but not limited to: (a) engaging in
25	discussions with a patient relating to the risks and benefits of end-of-
26	life options in the circumstances described in this article, (b) provid-
27	ing a patient, upon request, with a referral to another health care
28	provider, (c) being present when a qualified individual self-administers
29	medication, (d) refraining from acting to prevent the qualified individ-
30	ual from self-administering such medication, or (e) refraining from
31	acting to resuscitate the qualified individual after he or she self-ad-
32	ministers such medication.
33	2. Nothing in this section shall limit civil or criminal liability for
34	neqligence, recklessness or intentional misconduct.
35	§ 2899-m. Permissible refusals and prohibitions. 1. (a) A physician,
36	nurse, pharmacist, other health care provider or other person shall not
37	be under any duty, by law or contract, to participate in the provision
38	of medication to a patient under this article.
39	(b) If a health care provider is unable or unwilling to participate in
	the provision of medication to a patient under this article and the
40	patient transfers care to a new health care provider, the prior health
41	
42	care provider shall transfer or arrange for the transfer, upon request,
43	of a copy of the patient's relevant medical records to the new health
44	<u>care provider.</u>
45 46	2.(a) A private health care facility may prohibit the prescribing,
46	dispensing, ordering or self-administering of medication under this
47	article while the patient is being treated in or while the patient is
48	residing in the health care facility if:
49	(i) the prescribing, dispensing, ordering or self-administering is
50	contrary to a formally adopted policy of the facility that is expressly

1	based on sincerely held religious beliefs or moral convictions central
2	to the facility's operating principles; and
3	(ii) the facility has informed the patient of such policy prior to
4	admission or as soon as reasonably possible.
5	(b) Where a facility has adopted a prohibition under this subdivision,
б	if a patient who wishes to use medication under this article requests,
7	the patient shall be transferred promptly to another health care facili-
8	ty that is reasonably accessible under the circumstances and willing to
9	permit the prescribing, dispensing, ordering and self-administering of
10	medication under this article with respect to the patient.
11	3. Where a health care facility has adopted a prohibition under this
12	subdivision, any health care provider or employee of the facility who
13	violates the prohibition may be subject to sanctions otherwise available
14^{13}	
	to the facility, provided the facility has previously notified the
15	health care provider or employee of the prohibition in writing.
16	§ 2899-n. Relation to other laws and contracts. 1. (a) A patient who
17	requests medication under this article shall not, because of that
18	request, be considered to be a person who is suicidal, and self-adminis-
19	tering medication under this article shall not be deemed to be suicide,
20	for any purpose.
21	(b) Action taken in accordance with this article shall not be
22	construed for any purpose to constitute suicide, assisted suicide,
23	attempted suicide, promoting a suicide attempt, mercy killing, or homi-
24	cide under the law, including as an accomplice or accessory or other-
25	wise.
26	2. (a) No provision in a contract, will or other agreement, whether
27	written or oral, to the extent the provision would affect whether a

23	duct by any person.
24	2. Conduct in violation of this article shall be subject to applicable
25	criminal liability under state law, including, where appropriate and
26	without limitation, offenses constituting homicide, forgery, coercion,
27	and related offenses, or federal law.
28	§ 2899-s. Severability. If any provision of this article or any appli-
29	cation of any provision of this article, is held to be invalid, or to
30	violate or be inconsistent with any federal law or regulation, that
31	shall not affect the validity or effectiveness of any other provision of
32	this article, or of any other application of any provision of this arti-
33	cle, which can be given effect without that provision or application;
34	and to that end, the provisions and applications of this article are
35	severable.

36 § 3. This act shall take effect immediately.
