The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph b of subdivision 10 of section 163 of the state
2 finance law is amended by adding a new subparagraph (iii) to read as
3 follows:

4 (iii) All single source or sole source procurement contracts made
5 pursuant to the provisions of this paragraph shall require that the
6 award recipient comply with the provisions of article fifteen-A of the
7 executive law relating to minority and women-owned business enterprise
8 participation when contracting with subcontractors.

9 § 2. Subdivision 6 of section 313 of the executive law, as amended by
10 chapter 175 of the laws of 2010, is amended to read as follows:

11 6. (a) Where it appears that a contractor cannot, after a good faith
12 effort, comply with the minority and women-owned business enterprise

1 the reasons for such contractor's inability to meet any or all of the
2 participation requirements together with an explanation of the efforts
3 undertaken by the contractor to obtain the required minority and women-
4 owned business enterprise participation. In implementing the provisions
5 of this section, the contracting agency shall consider the number and
6 types of minority and women-owned business enterprises located in the
7 region in which the state contract is to be performed, the total dollar
8 value of the state contract, the scope of work to be performed and the
9 project size and term. If, based on such considerations, the contracting
10 agency determines there is not a reasonable availability of contractors
11 on the list of certified business to furnish services for the project,
12 it shall issue a waiver of compliance to the contractor. In making such
13 determination, the contracting agency shall first consider the avail-
14 ability of other business enterprises located in the region and shall
15 thereafter consider the financial ability of minority and women-owned
16 businesses located outside the region in which the contract is to be
17 performed to perform the state contract.

18 (b) A contracting agency shall not issue a total waiver of the obli-
19 gation to comply with the minority and women-owned business enterprise
20 participation requirements of a contract if such contract is a single
21 source or sole source procurement contract as described in section one
22 hundred sixty-three of the state finance law; provided, however, that if
23 the contracting agency determines there is not a reasonable availability
24 of contractors on the list of certified business to furnish services for
25 the project, the contracting agency may issue a partial waiver of
26 compliance to the contractor.

27 § 3. Section 103 of the general municipal law is amended by adding a
28 new subdivision 17 to read as follows:

29 17. All contracts awarded pursuant to the provisions of this section,
30 including single source or sole source procurement contracts, shall
31 require the contract recipient to comply with the provisions of section
32 three hundred thirteen of the executive law, to the extent that such
33 provisions apply; provided, however, that a contract recipient granted a
34 waiver of compliance as provided in section three hundred thirteen of
35 the executive law shall be deemed to be in compliance with such
36 provisions.

37 § 4. Subdivisions 2, 3 and 13 of section 310 of the executive law,

30 excess of one hundred thousand dollars whereby the owner of a municipal
31 assisted housing project is committed to expend or does expend funds for
32 the acquisition, construction, demolition, replacement, major repair or
33 renovation of real property and improvements thereon for such project.

34 § 6. This act shall take effect immediately; provided, however, that
35 section three of this act shall expire on the same date and in the same
36 manner as article 15-A of the executive law pursuant to subdivision (h)
37 of section 121 of chapter 261 of the laws of 1988, as amended; provided,
38 however, that the amendments to sections 310 and 313 of the executive
39 law made by sections two, four and five of this act shall not affect the
40 expiration of such sections and shall be deemed expired therewith;
41 provided, further that the amendments to paragraph b of subdivision 10
