1 of the application of any provisions of articles eleven and thirteen of
2 the environmental conservation law. These moneys, after appropriation by
3 the legislature, and within the amounts set forth and for the several
4 purposes specified, shall be available to the department of environ-
5 mental conservation for the care, management, protection and enlargement
6 of the fish, game and [~~shell-fish~~] shellfish resources of the state and
7 for the promotion of public fishing and shooting, provided, that all
8 monies received or acquired by the state pursuant to article eleven of
9 the environmental conservation law and not otherwise dedicated pursuant
10 to this section shall be dedicated to and available by appropriation
11 only for the administration of and purposes set forth in such article,
12 which may only be altered or amended by law. In the accomplishment of
13 these objects the moneys made available hereunder shall be devoted to
14 the purchase or acquisition of lands, lands under water, waters, or
15 rights therein as required, to payment for personal service, for mainte-
16 nance and operation, and for new construction and permanent betterments,
17 and to all other proper expenses of the department of environmental
18 conservation in the administration and enforcement of the provisions of
19 articles eleven and thirteen of the environmental conservation law.

20 § 2. Subdivision 1 of section 98-a of the state finance law is amended
21 by adding a new closing paragraph to read as follows:

22 Provided, however, that all monies received or acquired by the state
23 pursuant to article eleven of the environmental conservation law and not
24 otherwise dedicated pursuant to this section shall be dedicated to and
25 available by appropriation only for the administration of and purposes
26 set forth in such article, which may only be altered or amended by law.

27 § 3. This act shall take effect immediately.
