The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public housing law is amended by adding a new section
2 402-d to read as follows:

3 § 402-d. Priority senior housing waiting list and website. 1. The New
4 York city housing authority shall develop a website through which indi-
5 viduals sixty-five years of age or older may apply in order to be
6 placed on a priority waiting list to obtain public housing. The website
7 shall be made available through and maintained by the housing authority.
8 2. Any individual sixty-five years of age or older, or an agent acting
9 on behalf of such individual, including but not limited to, a relative
10 or guardian, the state department of social services, the New York city
11 department of homeless services, the New York city department for the
12 aging or a medical provider, may submit an application for housing
13 through the website. Applications submitted through the website shall
14 be given priority by the housing authority over housing lotteries and
15 applications submitted by other means, and over applications submitted
16 by or on behalf of persons under sixty-five years of age. All applica-
17 tions shall be assigned a priority code based upon the information
18 provided as to medical status and need, and, following an eligibility
19 interview, shall be placed on a priority senior waiting list for avail-
20 able housing. Final assessment as to priority shall be determined by
21 the housing authority following the eligibility interview. No priority

2 submission of the website application.

3 3. Applications submitted through the website shall be assigned a case
4 number which may be used to track the progress of the application
5 through the website. Applications shall not be tracked through the
6 website by name or social security number of the applicant or a member
7 of the applicant's household.

8 4. Website applications shall be re-evaluated every three days in
9 order to determine priority given to applicants who have completed the
10 eligibility interview. Re-prioritization shall be based on changes in

12 5. (a) The website shall include a list of rental properties which the
13 New York city department of housing preservation and development has
14 determined to be eligible for the J-51 program and which have current or
15 anticipated vacancies. The website shall include a separate list of
16 rental properties which do not qualify for the J-51 program, but which

19 citizen rent increase exemptions. The housing authority shall coordinate
20 with the department of housing preservation and development to develop
21 and maintain a listing of J-51 properties. Vacancies shall be listed on
22 the website without charge to the property owner or manager.

23 (b) The owner of rental properties as described in paragraph (a) of
24 this subdivision, or his or her agent, shall notify the housing authori-
25 ty of an impending vacancy within ten days of learning or first becoming
26 aware of the impending vacancy, and shall, by March first of each year,
27 provide the housing authority with a list of vacancies that occurred at
28 each property during the previous calendar year and the date upon which
29 the vacancies were filled. Such list shall be in a form as determined by
30 the housing authority. The housing authority shall monitor the lists to
31 assure that vacancies are being reported promptly to the housing author-
32 ity and that housing is not being improperly denied by the property
33 owner to senior citizens. The housing authority shall report any
34 suspected improper denials of housing in J-51 buildings to the New York
35 city department of housing preservation and development.

36 6. The housing authority shall maintain information concerning the
37 overall number of website applicants, the number of applicants provided
38 with housing accommodations as a result of website applications and the
39 length of time between the applications and the assignments, and shall
40 provide this information in all filings required by law to be made by
41 the housing authority.

42 § 2. This act shall take effect on the one hundred eightieth day after
43 it shall have become a law; provided, however, that effective immediate-
44 ly, the addition, amendment and/or repeal of any rule or regulation
45 necessary for the implementation of this act on its effective date are
46 authorized and directed to be made and completed on or before such
47 effective date.
