Introduced by M. of A. WALTER -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to toxicology testing of newborns

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 2500-l to read as follows:

3 § 2500-l. Toxicology testing of newborns. 1. The commissioner shall
4 establish a comprehensive program for toxicology testing of newborns for
5 the presence of prenatal exposure to any controlled substances used by
6 the mother for non-medical purposes.

7 2. If such testing results create a reasonable grounds to believe that
8 the mother used a controlled substance for a non-medical purpose, the
9 physician shall submit testing results to child protective services
10 which shall treat such report in the same fashion as a report received
11 pursuant to section four hundred twenty-four of the social services law.

12 3. The commissioner shall promulgate regulations governing the imple-
13 mentation of the program required pursuant to subdivision one of this
14 section, including the administration of testing, counseling, tracking,
15 disclosure of test results, follow-up reviews, and educational activ-
16 ities relating to such testing.

17 § 2. This act shall take effect immediately.
