9 fore necessary and imperative that the legislature develop a comprehen-
10 sive strategy to rebuild New York state's durable and non-durable manu-

12 "made in New York" program be the vehicle to accomplish this objective.
13 § 2. A temporary state commission is hereby created to develop
14 programs and policies for the purpose of enhancing and fostering the

17 including, but not limited, to the following:

24 § 6. To the maximum extent feasible, the commission shall be entitled
25 to request and receive and shall utilize and be provided with such
26 facilities, resources, and data of any court, department, division,
