25 contribution to any candidate or political committee participating in
26 the state's public campaign financing system as defined in this title,
27 and no such candidate or political committee may accept any contribution
28 from any contributor, which is in the aggregate amount greater than:
29 (a) in the case of any nomination to a district attorney or a justice of
30 the supreme court, the product of the total number of enrolled voters in
31 the jurisdiction in which such participating candidate is seeking
32 office, excluding voters in inactive status, multiplied by \$.005, but
33 such amount shall be not more than six thousand dollars and (b) in the
34 case of any election to such public office, six thousand dollars;
35 provided however, that the maximum amount which may be so contributed or
36 accepted, in the aggregate, from any candidate's child, parent, grand-
37 parent, brother and sister, and the spouse of any such persons, shall
38 not exceed in the case of any nomination to public office an amount
39 equivalent to the product of the number of enrolled voters in the juris-
40 isdiction in which such participating candidate is seeking office, exclud-
41 ing voters in inactive status, multiplied by \$.025, and in the case of
42 any election for a public office, an amount equivalent to the product of
43 the number of registered voters in the state excluding voters in inac-
44 tive status, multiplied by \$.025.

45 2. In the event that a candidate for district attorney or justice of
46 the supreme court has received a contribution which exceeds the limita-
47 tions of this subdivision prior to becoming a participating candidate in
48 the state's matching campaign financing system, the candidate shall
49 either (a) deposit any amount in excess of the contribution limit set
50 forth in this subdivision, into a segregated account where it shall not
51 be withdrawn for campaign expenditures for any district attorney or
52 justice of the supreme court election; or (b) return any amount in
53 excess of the contribution limit set forth in this section, by bank
54 check or certified check made out to the contributor.

55 § 14-203. Proof of compliance. Authorized and political committees
56 shall maintain such records of receipts and expenditures for a covered

1 election as required by the board. Authorized and political committees
2 shall obtain and furnish to the board any information it may request
3 relating to financial transactions or contributions and furnish such
4 documentation and other proof of compliance with this title as may be
5 requested. In compliance with section 14-108 of this article, authorized
6 and political committees shall maintain copies of such records for a
7 period of five years.

8 § 14-204. Eligibility. 1. Terms and conditions. To be eligible for
9 voluntary public financing under this title, a candidate must:

10 (a) be a candidate in a covered election;

11 (b) meet all the requirements of law to have his or her name on the
12 ballot;

13 (c) in the case of a covered general election, be opposed by another
14 candidate on the ballot who is not a write-in candidate;

15 (d) submit a certification in the form of an affidavit, in such form
16 as may be prescribed by the board, that sets forth his or her acceptance
17 of and agreement to comply with the terms and conditions for the
18 provision of such funds in each covered election and such certification
19 shall be submitted before the election pursuant to a schedule promulgat-
20 ed by the board;

21 (e) be certified as a participating candidate by the board;

22 (f) not make expenditures from or use his or her personal funds or
23 property or the personal funds or property jointly held with his or her
24 spouse, or unemancipated children in connection with his or her nomi-
25 nation election or election to a covered office except as a contribution
26 to his or her authorized committee in an amount that exceeds three times
27 the applicable contribution limit from an individual contributor to
28 candidates for the office that he or she is seeking;

29 (g) meet the threshold for eligibility set forth in subdivision two of
30 this section; and

31 (h) continue to abide by all requirements during the post-election
32 period.

33 2. Threshold for eligibility. (a) The threshold for eligibility for
34 matching funding for participating candidates for district attorney or
35 justice of the supreme court shall be not less than ten thousand dollars
36 in matchable contributions including at least seven hundred fifty match-
37 able contributions comprised of sums between ten and seventy-five
38 dollars per contributor, from residents of New York state.

39 (b) Any participating candidate meeting the threshold for eligibility
40 in a primary election for the foregoing office shall be deemed to have
41 met the threshold for eligibility for such office in the general
42 election held in the same calendar year.

43 § 14-205. Limits on matching financing. The following limitations
44 apply to the total amounts of matching funds that may be provided to a
45 participating candidate's authorized committee for an election cycle:

46 1. In any primary election, receipt of matching funds by participating
47 candidates for district attorney or justice of the supreme court and by
48 each participating committee shall not exceed the sum of two hundred
49 fifty thousand dollars.

50 2. In any general election, receipt of matching funds by a participat-
51 ing candidate's authorized committee shall not exceed one million
52 dollars.

53 3. No participating candidate for nomination for an office who is not
54 opposed by a candidate on the ballot in a primary election shall be
55 entitled to payment of matching funds, except that, where there is a
56 contest in such primary election for the nomination of at least one of

1 the two political parties with the highest and second highest number of
2 enrolled members for such office, a participating candidate who is unop-
3 posed in the primary election may receive matching funds before the
4 primary election, for expenses incurred on or before the date of such
5 primary election, in an amount equal to up to half the sum set forth in
6 subdivision one of this section.

7 § 14-206. Payment of matching funds. 1. Determination of eligibility.
8 No matching funds shall be paid to an authorized committee unless the
9 board determines that the participating candidate has met the eligibil-
10 ity requirements of this title. Payment shall not exceed the amounts
11 specified in subdivision two of this section, and shall be made only in
12 accordance with the provisions of this title. Such payment may be made
13 only to the participating candidate's authorized committee. No matching
14 funds shall be used except as reimbursement or payment for qualified
15 campaign expenditures actually and lawfully incurred or to repay loans
16 used to pay qualified campaign expenditures.

17 2. Calculation of payment. If the threshold for eligibility is met,
18 the participating candidate's authorized committee shall receive payment
19 for qualified campaign expenditures of six dollars of matching funds for
20 each one dollar of matchable contributions, for the first one hundred
21 seventy-five dollars of eligible private funds per contributor, obtained
22 and reported to the board in accordance with the provisions of this
23 title. The maximum payment of matching funds shall be limited to the
24 amounts set forth in section 14-205 of this title for the covered
25 election.

26 3. Timing of payment. The board shall make any payment of matching
27 funds to participating candidates as soon as is practicable. But in all
28 cases, the board shall verify eligibility for matching funds within four
29 days of receiving a campaign contribution report filed in compliance
30 with section 14-104 of this article. Within two days of determining that
31 a candidate for a covered office is eligible for matching funds, the
32 board shall pay the applicable matching funds owed to the candidate.
33 However, the board shall not make any payments of public money earlier
34 than the earliest dates for making such payments as provided by this
35 title. If any of such payments would require payment on a weekend or
36 federal holiday, payment shall be made on the next business day.

37 4. Electronic funds transfer. The board shall promulgate rules to
38 facilitate electronic funds transfers directly from the fund into an
39 authorized committee's bank account.

40 § 14-207. Use of matching funds; qualified campaign expenditures. 1.
41 Matching funds provided under the provisions of this title may be used
42 only by an authorized committee for expenditures to further the partic-
43 ipating candidate's nomination for election or election, including
44 paying for debts incurred within one year prior to an election to
45 further the participating candidate's nomination for election or
46 election.

47 2. Such matching funds may not be used for:
48 (a) an expenditure in violation of any law;
49 (b) an expenditure in excess of the fair market value of services,
50 materials, facilities or other things of value received in exchange;
51 (c) an expense incurred after the candidate has been finally disquali-
52 fied from the ballot;
53 (d) an expense incurred after the only remaining opponent of the
54 candidate has been finally disqualified from the general or special
55 election ballot;
56 (e) an expenditure made by cash payment;

1 (f) a contribution or loan or transfer made to or expenditure to
2 support another candidate or political committee or party, committee or
3 constituted committee;

4 (g) an expenditure to exclusively support or oppose a candidate for an
5 office other than that which the participating candidate seeks;

6 (h) gifts, except brochures, buttons, signs and other printed campaign
7 material;

8 (i) legal fees to defend against a formal criminal charge;

9 (j) payments to immediate family members of the participating candi-
10 date; or

11 (k) any expenditure made to challenge the validity of any petition of
12 designation or nomination or any certificate of nomination, acceptance,
13 authorization, declination or substitution.

14 § 14-208. Powers and duties of board. 1. Advisory opinions. The board
15 shall render advisory opinions with respect to questions arising under
16 this title upon the written request of a candidate, an officer of a
17 political committee or member of the public, or upon its own initiative.
18 The board shall promulgate rules regarding reasonable times to respond
19 to such requests. The board shall make public the questions of interpre-
20 tation for which advisory opinions will be considered by the board and
21 its advisory opinions, including by publication on its webpage with
22 identifying information redacted as the board determines to be appropri-
23 ate.

24 2. Public information and candidate education. The board shall develop
25 a program for informing candidates and the public as to the purpose and
26 effect of the provisions of this title, including by means of a webpage.
27 The board shall prepare in plain language and make available educational
28 materials, including compliance manuals and summaries and explanations
29 of the purposes and provisions of this title. The board shall prepare or
30 have prepared and make available materials, including, to the extent
31 feasible, computer software, to facilitate the task of compliance with
32 the disclosure and record-keeping requirements of this title.

33 3. Rules and regulations. The board shall have the authority to
34 promulgate such rules and regulations and provide such forms as it deems
35 necessary for the administration of this title.

36 4. Enforcement. The board shall work with the enforcement unit to
37 enforce this section.

38 § 14-209. Audits and repayments. 1. Audits. The board shall audit and
39 examine all matters relating to the proper administration of this title
40 and shall complete such audit no later than six months after the
41 election in question. Every candidate who receives matching funds under
42 this title shall be audited by the board. The cost of complying with a
43 post-election audit shall be borne by the candidate's authorized commit-
44 tee using matching funds, private funds or any combination of such
45 funds. Candidates who run in both a primary and general election must
46 maintain a reserve of three percent of the matching funds received to
47 comply with the post-election audit. The board shall issue to each
48 campaign audited a final audit report that details its findings.

49 2. Repayments. (a) If the board determines that any portion of the
50 payment made to a candidate's authorized committee from the fund was in
51 excess of the aggregate amount of payments that such candidate was
52 eligible to receive pursuant to this title, it shall notify such commit-
53 tee and such committee shall pay to the board an amount equal to the
54 amount of excess payments. Provided, however, that if the erroneous
55 payment was the result of an error by the board, then the erroneous
56 payment will be deducted from any future payment, if any, and if no

1 payment is to be made then neither the candidate nor the committee shall
2 be liable to repay the excess amount to the board. The candidate, the
3 treasurer and the candidate's authorized committee are jointly and
4 severally liable for any repayments to the board.

5 (b) If the board determines that any portion of the payment made to a
6 candidate's authorized committee from the fund was used for purposes
7 other than qualified campaign expenditures, it shall notify such commit-
8 tee of the amount so disqualified and such committee shall pay to the
9 board an amount equal to such disqualified amount. The candidate, the
10 treasurer and the candidate's authorized committee are jointly and
11 severally liable for any repayments to the board.

12 (c) If the total of payments from the fund received by a participating
13 candidate and his or her authorized committee exceed the total campaign
14 expenditures of such candidate and authorized committee for the district
15 attorney or justice of supreme court election, such candidate and
16 committee shall use such excess funds to reimburse the fund for payments
17 received by such authorized committee from the fund during such calen-
18 dar. Participating candidates shall pay to the board unspent public
19 campaign funds from an election not later than twenty-seven days after
20 all liabilities for the election have been paid and in any event, not
21 later than the day on which the board issues its final audit report for
22 the participating candidate's authorized committee; provided, however,
23 that all unspent public campaign funds for a participating candidate
24 shall be immediately due and payable to the board upon a determination
25 by the board that the participant has knowingly delayed the post-elec-
26 tion audit. A participating candidate may make post-election expendi-
27 tures with public funds only for routine activities involving nominal
28 cost associated with winding up a campaign and responding to the post-e-
29 lection audit except for liabilities incurred before the election.
30 Nothing in this title shall be construed to prevent a candidate or his
31 or her authorized committee from using campaign contributions received
32 from private contributors for otherwise lawful expenditures.

33 3. The board shall promulgate regulations for the certification of the
34 amount of funds payable by the comptroller, from the fund established
35 pursuant to section ninety-two-t of the state finance law, to a partic-
36 ipating candidate that has qualified to receive such payment. These
37 regulations shall include the promulgation and distribution of forms on
38 which contributions and expenditures are to be reported, the periods
39 during which such reports must be filed and the verification required.
40 The board shall institute procedures which will make possible payment by
41 the fund within four business days after receipt of the required forms
42 and verifications.

43 § 14-210. Enforcement and penalties for violations and other
44 proceedings. 1. Civil penalties. Knowing violations of any provision of
45 this title or rule promulgated pursuant to this title shall be subject
46 to a civil penalty in an amount not in excess of ten thousand dollars.

47 2. Notice of violation and opportunity to be heard. The board shall:
48 (a) determine whether a violation of any provision of this title or
49 rule promulgated hereunder has been committed;

50 (b) give written notice and the opportunity to be heard in accordance
51 with the state administrative procedure act before an independent hear-
52 ing officer to each person or entity it has reason to believe has
53 committed a violation; and

54 (c) if appropriate, assess penalties for violations, following such
55 notice and opportunity to contest.

1 3. Criminal conduct. Any person who knowingly and willfully furnishes
2 or submits false statements or information to the board in connection
3 with its administration of this title, shall be guilty of a misdemeanor
4 in addition to any other penalty as may be imposed under this chapter or
5 pursuant to any other law. The board shall seek to recover any matching
6 funds obtained as a result of such criminal conduct.

7 4. Proceedings as to matching financing. (a) The determination of
8 eligibility pursuant to this title and any question or issue relating to
9 payments for campaign expenditures pursuant to this title may be
10 contested in a proceeding instituted in the supreme court, Albany coun-
11 ty, by any aggrieved candidate.

12 (b) A proceeding with respect to such a determination of eligibility
13 or payment for qualified campaign expenditures pursuant to this chapter
14 shall be instituted within fourteen days after such determination was
15 made. The board shall be made a party to any such proceeding.

16 (c) Upon the board's failure to receive the amount due from a partic-
17 ipating candidate or such candidate's authorized committee after the
18 issuance of written notice of such amount due, as required by this
19 title, the board is authorized to institute a special proceeding or
20 civil action in supreme court, Albany county, to obtain a judgment for
21 any amounts determined to be payable to the board as a result of an
22 examination and audit made pursuant to this title or to obtain such
23 amounts directly from the candidate or authorized committee after a
24 hearing at the state board of elections.

25 (d) The board is authorized to institute a special proceeding or civil
26 action in supreme court, Albany county, to obtain a judgment for civil
27 penalties determined to be payable to the board pursuant to this title
28 or to impose such penalty directly after a hearing at the state board of
29 elections.

30 § 14-211. Reports. The board shall submit a report to the governor,
31 the temporary president of the senate, and the speaker of the assembly.
32 Such report shall include:

33 1. a list of the participating and nonparticipating candidates in
34 covered elections and the votes received by each candidate in those
35 elections;

36 2. the amount of contributions and loans received, and expenditures
37 made, on behalf of these candidates;

38 3. the amount of public matching funds each participating candidate
39 received, spent, and repaid pursuant to this title;

40 4. analysis of the effect of this title on political campaigns,
41 including its effect on the sources and amounts of private financing,
42 the level of campaign expenditures, voter participation, the number of
43 candidates, the candidates' ability to campaign effectively for public
44 office, and the diversity of candidates seeking and elected to office;
45 and

46 5. recommendations for amendments to this title, including changes in
47 contribution limits, thresholds for eligibility, and any other features
48 of the system.

49 § 14-212. Debates for candidates for district attorney or justice of
50 the supreme court. The board shall promulgate regulations to facilitate
51 debates among participating candidates who seek election for the office
52 of district attorney or justice of the supreme court. Participating
53 candidates are required to participate in one debate before each
54 election for which the candidate receives matching funds, unless the
55 participating candidate is running unopposed. Nonparticipating candi-
56 dates may participate in such debates.

1 § 14-213. Severability. If any clause, sentence, subdivision, para-
2 graph, section or part of this title be adjudged by any court of compe-
3 tent jurisdiction to be invalid, such judgment shall not affect, impair
4 or invalidate the remainder thereof, but shall be confined in its opera-
5 tion to the clause, sentence, subdivision, paragraph, section or part
6 thereof directly involved in the controversy in which such judgment
7 shall have been rendered.

8 § 4. The state finance law is amended by adding a new section 92-t to
9 read as follows:

10 § 92-t. New York state campaign finance fund. 1. There is hereby
11 established in the joint custody of the state comptroller and the
12 commissioner of taxation and finance a fund to be known as the New York
13 state campaign finance fund.

14 2. Such fund shall consist of all revenues received from the abandoned
15 property fund pursuant to section ninety-five of this article.

16 3. Moneys of the fund, following appropriation by the legislature, may
17 be expended for the purposes of making payments to candidates pursuant
18 to title II of article fourteen of the election law. Moneys shall be
19 paid out of the fund upon audit and warrant by the state comptroller on
