20 (1) recognizes that the driver is a transportation network company
21 driver or otherwise uses a vehicle to transport passengers for compen-

23 (A) while the driver is logged on to the transportation network compa-
24 ny's digital network; or

25 (B) while the driver is engaged in a prearranged ride.

26 (2) the following automobile insurance requirements shall apply while

45 (3) the following automobile insurance requirements shall apply while

11 subsection (a) of section one thousand one hundred thirteen of this
12 chapter if the driver's personal vehicle is subject to a lease or loan.
13 A transportation network company shall also post this notice on its
14 website in a prominent place.

15 (5) if insurance maintained by a driver in paragraph two or three of
16 this subsection has lapsed or does not provide the required coverage,
17 insurance maintained by a transportation network company shall provide
18 the coverage required by this subsection beginning with the first dollar
19 of a claim and have the duty to defend such claim.

20 (6) coverage under an automobile insurance policy maintained by the
21 transportation network company shall not be dependent on a personal
22 automobile insurer first denying a claim nor shall a personal automobile
23 insurance policy be required to first deny a claim.

24 (7) insurance required by this subsection may be placed with an insur-
25 er authorized or eligible to write insurance in this state and shall be
26 eligible for placement by an excess line broker licensed pursuant to
27 article twenty-one of this chapter.

28 (8) insurance satisfying the requirements of this subsection shall be
29 deemed to satisfy the financial responsibility requirements set forth in
30 subdivision four of section three hundred eleven of the vehicle and
31 traffic law, section three thousand four hundred twenty of this article,
32 article fifty-one of this chapter, and regulations promulgated there-

34 satisfying the financial responsibility requirements with respect to the
35 use or operation of a motor vehicle.

36 (9) a transportation network company driver shall carry proof of
37 coverage satisfying paragraphs two and three of this subsection with him
38 or her at all times during his or her use of a vehicle in connection
39 with a transportation network company's digital network. In the event of
40 an accident, a transportation network company driver shall provide this
41 insurance coverage information to the directly interested parties, auto-
42 mobile insurers and investigating police officers, upon request. Upon
43 such request, a transportation network company driver shall also
44 disclose to directly interested parties, automobile insurers, and inves-
45 tigating police officers, whether he or she was logged on to the trans-
46 portation network company's digital network or on a prearranged ride at
47 the time of an accident.

48 (d) The transportation network company shall disclose in writing to
49 transportation network company drivers the following before they are
50 allowed to accept a request for a prearranged ride on the transportation
51 network company's digital network:

52 (1) the insurance coverage, including the types of coverage and the
53 limits for each coverage, that the transportation network company
54 provides while the transportation network company driver uses a personal
55 vehicle in connection with a transportation network company's digital
56 network; and

1 (2) that the transportation network company driver's own automobile
2 insurance policy might not provide any coverage while the driver is
3 logged on to the transportation network company's digital network and is
4 available to receive transportation requests or is engaged in a prear-
5 ranged ride, depending on its terms.

6 (e) (1) Insurers that write automobile insurance in this state may
7 exclude any and all coverage afforded under the policy issued to an
8 owner or operator of a personal vehicle for any loss or injury that
9 occurs while a driver is logged on to a transportation network company's
10 digital network or while a driver provides a prearranged ride. This
11 right to exclude all coverage may apply to any coverage included in an
12 automobile insurance policy including, but not limited to:

13 (A) liability coverage for bodily injury and property damage;

14 (B) coverage provided pursuant to article fifty-one of this chapter;

15 (C) uninsured and underinsured motorist coverage; and

16 (D) motor vehicle physical damage coverage as described in paragraph
17 nineteen of subsection (a) of section one thousand one hundred thirteen
18 of this chapter.

19 (2) Such exclusions shall apply notwithstanding any requirement under
20 the law to the contrary. Nothing in this section implies or requires
21 that a personal automobile insurance policy provide coverage while the
22 driver is logged on to the transportation network company's digital
23 network, while the driver is engaged in a prearranged ride or while the
24 driver otherwise uses a vehicle to transport passengers for compen-
25 sation.

26 (3) Nothing shall be deemed to preclude an insurer from providing
27 coverage for the transportation network company driver's vehicle, if it
28 so chose to do so by contract or endorsement.

29 (4) Automobile insurers that exclude the coverage described in
30 subsection (c) of this section shall have no duty to defend or indemnify
31 any claim expressly excluded thereunder. Nothing in this article shall
32 be deemed to invalidate or limit an exclusion contained in a policy
33 including any policy in use or approved for use in this state prior to
34 the enactment of this section that excludes coverage for vehicles used
35 to carry persons or property for a charge or available for hire by the
36 public.

37 (5) An automobile insurer that defends or indemnifies a claim against
38 a driver that is excluded under the terms of its policy, shall have a
39 right of contribution against other insurers that provide automobile
40 insurance to the same driver in satisfaction of the coverage require-
41 ments of subsection (c) of this section at the time of loss.

42 (6) In a claims coverage investigation, transportation network compa-
43 nies and any insurer potentially providing coverage under subsection (c)
44 of this section shall, within fifteen days after a claim has been filed,
45 facilitate the exchange of relevant information with directly involved
46 parties and any insurer of the transportation network company driver if
47 applicable, including the precise times that a transportation network
48 company driver logged on and off of the transportation network company's
49 digital network in the twelve hour period immediately preceding and in
50 the twelve hour period immediately following the accident and disclose
51 to one another a clear description of the coverage, exclusions and
52 limits provided under any automobile insurance maintained under
53 subsection (c) of this section.

54 § 2. The insurance law is amended by adding a new section 3455 to read
55 as follows:

32 (c) of section three thousand four hundred twenty-six of this article;
33 provided, however, that an act or omission by a group member that would

40 section three thousand four hundred twenty-six of this article.

41 (2) (A) An insurer's cancellation of a group policy, including all

39 (B) A group policyholder shall not be required under this subsection
40 to give notice to a group member if substantially similar coverage has

50 (B) Notwithstanding subparagraph (A) of this paragraph, an insurer may
51 terminate coverage under an individual certificate on the effective date
52 of cancellation, if the certificate is cancelled in accordance with the
53 provisions of subparagraph (B) of paragraph one of this subsection.
