AN ACT to establish an interagency council for the purpose of coordinated planning on issues related to older adults

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Aging in New York: State Plan on Aging. 1. There is hereby
2 created an interagency council for the purpose of coordinated planning
3 on issues related to older adults. This interagency council shall
4 include the state office for the aging, the department of health, the
5 office of mental health, the office of alcoholism and substance abuse
6 services, the office of temporary and disability assistance, the office
7 for persons with developmental disabilities, the division of housing and
8 community renewal, the department of labor, the department of financial
9 services, the department of transportation, and the office of children
10 and family services.
- 11 2. The interagency council shall develop a state plan on aging that
12 plans for the current and future needs of older adults. Such report
13 shall assess current programs and services across multiple agencies,
14 additional need, both current and projected, and encourage interagency
15 cooperation for planning and improving outcomes. Such plan shall focus
16 on several areas including, but not limited to:
