The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 2 of section 4407 of the education law, as
2 amended by chapter 53 of the laws of 1989, is amended to read as
3 follows:

5 educational facilities which are outside of the state which, after
6 inspection, it deems qualified to meet the needs of certain children for
7 instruction pursuant to subdivision one of this section. Public or
8 private facilities of instruction located outside of the state which
9 apply to the department for approval, shall, notwithstanding any review
10 or revision of policy undertaken by the department, be added to the
11 register if such facilities are found by the department to meet the
12 needs of certain children for instruction. The continual approval of
13 such facilities is necessary to safeguard the right of handicapped chil-

15 there is no appropriate in-state placement available.

17 ing the date it shall have become a law; provided, however, that effec-
