2 ~~outside of the territorial limits of any such city, notwithstanding that~~
3 ~~some act be necessarily performed with respect to such transaction with-~~

6 boundaries, but such tax shall apply to any transaction that is
7 requested or received by a residential or commercial customer located
8 within the boundaries of such taxing jurisdiction.~~

9 2. Revenues resulting from the imposition of taxes authorized by this
10 section heretofore or hereafter imposed shall be paid into the treasury

36 such determination shall be reviewable by a proceeding under article
37 seventy-eight of the civil practice law and rules, provided, however,
38 that such proceeding is instituted within thirty days after the giving
39 of the notice of such denial, that a final determination of tax due was
40 not previously made, and that an undertaking is filed with the proper
41 fiscal officer or officers in such amount and with such sureties as a
42 justice of the supreme court shall approve to the effect that if such
43 proceeding be dismissed or the tax confirmed, the petitioner will pay
44 all costs and charges which may accrue in the prosecution of such
45 proceeding.

46 § 2. Subdivision 1 of section 5-530 of the village law is amended to

14 such taxing jurisdiction.
