MEMORIALIZING Governor Andrew M. Cuomo to proclaim
March 2017, as Neuromyelitis Optica Awareness Month
in the State of New York

WHEREAS, It is the custom of this Legislative Body to recognize official months that are set aside to increase awareness of serious illnesses that affect the lives of citizens of New York State; and

WHEREAS, Attendant to such concern, and in full accord with its long-standing traditions, this Legislative Body is justly proud to memorialize Governor Andrew M. Cuomo to proclaim March 2017, as Neuromyelitis Optica Awareness Month in the State of New York; and

WHEREAS, Neuromyelitis Optica (NMO), previously known as Devic's disease, is a rare autoimmune disease that primarily affects the eye nerves and spinal cord, and has no known cure; and

WHEREAS, NMO occurs when the body's immune system attacks its own cells, sometimes causing permanent disabilities including blindness and paralysis; and

WHEREAS, The cause of NMO is still largely unknown, and there are currently no FDA-approved treatments for the disease; and

WHEREAS, NMO is often misdiagnosed as a type of Multiple Sclerosis, but it is its own distinct condition; and

WHEREAS, Increasing awareness about NMO has caused NMO diagnoses to rise, as doctors have become more likely to recognize the varying manifestations of the disease; and

WHEREAS, The NMO community is dedicated to increasing awareness and understanding of this disease in order to promote research, improve patient care and outcomes, and ultimately find a cure; now, therefore, be it

RESOLVED, That this Legislative Body pause in its deliberations to memorialize Governor Andrew M. Cuomo to proclaim March 2017, as Neuromyelitis Optica Awareness Month in the State of New York; and be it further

RESOLVED, That a copy of this Resolution, suitably engrossed, be transmitted to The Honorable Andrew M. Cuomo, Governor of the State of New York.
