Provided, further, that such grants from funds appropriated herein shall be awarded based on factors including, but not limited to, the following: (i) measures of school district need, (ii) measures of the need of students to be served by each of the school districts, (iii) the school district's proposal to target the highest need schools and students, (iv) the extent to which the district's proposal would prioritize funds to maximize the total number of eligible children in the district served in pre-kindergarten programs, and (v) proposal quality. Provided, however, that full-day and half-day pre-kindergarten grants appropriated herein shall only be available to support programs (i) that provide instruction for at least five hours per school day for full-day pre-kindergarten programs and at least two and one-half hours per school day for half-day pre-kindergarten programs; (ii) that agree to offer instruction consistent with the New York state pre-kindergarten foundation for the common core standards within three years; (iii) that ensure that, to the extent community-based providers are part of such program, such providers meet the requirements of paragraphs d-1 and d-2 of subdivision 12 of section 3602-e of the education law; and (iv) that otherwise comply with all of the same rules and requirements as universal pre-kindergarten programs pursuant to section 3602-e of the education law except as modified herein. Provided, further, that a school district's pre-kindergarten grant shall equal the product of (A) (i) two multiplied by the approved number of new full-day pre-kindergarten placements plus (ii) the approved number of half-day pre-kindergarten placement conversions and new half-day pre-kindergarten placements, and (B) the district's selected aid per pre-kindergarten pupil pursuant to subparagraph i of paragraph b of subdivision 10 of section 3602-e of the education law; provided, however, that no district shall receive a grant in excess of the total actual grant expenditures incurred by the district in the current school year as approved by the commissioner. Provided, further, that as a condition of eligibility for receipt of such funding, a school district shall agree to adopt approved quality indicators within two years, including, but not limited to, valid and reliable measures of environmental quality, the quality of teacher-student interactions and child outcomes, and ensure that any such assessment of child outcomes shall not be used to make high-stakes educational decisions for individual children. Provided, further, that no school district shall receive more than forty percent of the total pre-kindergarten grant allocation.

Provided, further, that notwithstanding any provision of law to the contrary, the \$10,000,000 appropriated herein available for school-wide extended learning grants shall be awarded to school districts or school districts in collaboration with not-for-profit community-based organizations based on responses to a request for proposals for planning and implementation grants that is (i) developed by the commissioner; (ii) approved by the director of the budget; and (iii)

2 shall be awarded based on factors including, but not limited to, the
3 following: (i) the school district's proposal to target the schools
4 and students with the greatest need, and (ii) proposal quality.
5 Provided, further, that to assess proposal quality in order to award
6 implementation grant funding, the commissioner shall take into
7 account factors including, but not limited to: (i) the extent to
8 which the school district's proposal would maximize the use of the
9 additional learning time through a comprehensive restructuring of
10 the school day and/or year, (ii) the extent to which the proposal
11 would provide additional learning time for students in grades six
12 through eight, and (iii) how the additional learning time would be
13 utilized, including, but not limited to, additional time spent on
14 core academics. Provided, however, that no district shall be eligi-

16 proposal would increase student learning time by at least 25
17 percent. Provided, further, that a school district's schoolwide
18 extended learning implementation grant shall equal its average daily
19 attendance in the school-wide extended learning program multiplied
20 by the expected cost per pupil of the additional learning time;
21 provided, further, that the expected cost per pupil of the addi-

23 quotient of (i) the school district's approved operating expense,
24 pursuant to paragraph t of subdivision 1 of section 3602 of the
25 education law, for the year prior to the base year, divided by (ii)
26 the district's public school district enrollment, pursuant to
27 subparagraph (2) of paragraph n of such subdivision, for the year
28 prior to the base year, multiplied by (B) 10 percent (0.10), multi-
29 plied by (C) the quotient of (i) the average of the national consum-

31 for the 12-month period preceding January first of the base year,
32 divided by (ii) the average of the national consumer price indexes
33 determined by the United States department of labor for the 12-month
34 period preceding January first of the year two years prior to the
35 base year; provided, however, that in extraordinary cases the
36 commissioner may award a grant that exceeds the per pupil limit

41 receive more than forty percent of the total school-wide extended
42 learning grant allocation.

43 Provided, further, that notwithstanding any provision of law to the
44 contrary, the \$7,500,000 appropriated herein available for community
45 schools grants shall be awarded, based on a request for proposals
46 (i) developed by the state council on children and families in coor-

11 limited to, the following: (i) measures of school district need,
12 (ii) measures of the need of students to be served by each of the
13 school districts, (iii) the school district's proposal to target the
14 highest need schools and students, (iv) the sustainability of the
15 proposed community schools program, and (v) proposal quality.
16 Provided, further, that to assess proposal quality in order to award
17 such funding, the commissioner shall take into account factors
18 including, but not limited to: (i) the extent to which the school
19 district's proposal would provide such community services through
20 partnerships with local governments and non-profit organizations,
21 (ii) the extent to which the proposal would provide for delivery of

29 used as community hubs. Provided, however, that community schools
30 grants appropriated herein shall be paid to school districts in
31 installments upon successful implementation of each phase of a
32 school district's approved proposal. Provided, further, that no
33 school district shall receive more than forty percent of the total
34 community schools grant allocation, and that each individual commu-

36 Provided, further, that notwithstanding any provision of law to the
37 contrary, the \$5,500,000 appropriated herein available for a master

11 Provided, further, that notwithstanding any provision of law to the
12 contrary, the \$2,000,000 appropriated herein available for the early
13 college high school program shall support the continuation and

15 commissioner and approved by the director of the budget. Provided,
16 however, that a portion of the payments to early college high school
17 programs awarded funding from this appropriation shall be awarded on
18 a sliding scale based upon the number of college credits earned
19 annually by participating students, consistent with guidelines
20 established by the commissioner. Provided further that, notwith-

33 used as community hubs. Provided, however, that community schools
34 grants appropriated herein shall be paid to school districts in
35 installments upon successful implementation of each phase of a

27 teachers, and of related costs, administered by the state university
28 of New York pursuant to a plan developed in consultation with the
29 commissioner, who shall consult with appropriate state organizations
30 representing K-12 public school teachers and approved by the director
31 of the budget, to build a corps of outstanding teachers in order

45 successful applicants. Provided, further, that priority shall be
46 given to applicants in regions of the state where a similar program
47 is not otherwise offered. Notwithstanding any provision of law to

17 within the timeframes necessary to avoid
18 any potential interest payments on such

37 attributable to each of the district's
38 children or cases that are determined by
39 the federal review to be unallowable. Each
40 district shall also be responsible for a
41 portion of the federal extrapolated disal-
42 lowance amount based on the relative error
43 rate for the district. The city of New
44 York's error rate will be based on the
45 federal sample and federal statistics. For
46 all social services districts other than
47 the city of New York, the error rate will
48 be based on a review conducted by the
49 district of a sample of children and/or
50 cases determined by the office of children
51 and family services and a re-review of a

1 sub-sample by the office of those children
2 and/or cases determined by the office. The
3 office of children and family services
4 will determine what is reasonable in
5 establishing the size of the sample and
6 sub-sample for each district. The office
7 of children and family services shall
8 notify each social services district of
9 the sample of children and/or cases from
10 the federal audit period that the social
11 services district must review. Any child
12 or case from the social services district
13 that was included in the federal sample
14 will automatically be included in the
15 social services district's review sample
16 and the determination made at the federal
17 review regarding that child or case will
18 govern for the purposes of the social
19 services district's review. The social
20 services district must complete and submit
21 the results of its review to the office of
22 children and family services within 60
23 days of receipt of the sample. The error
24 rate for the district will be based on the
25 findings of the district's review and the
26 office of children and family services'
27 re-review. If a social services district
28 does not complete its review within 60
29 days of receiving the sample from the
30 office of children and family services,
31 the office of children and family services
32 shall assign an error rate to the social
33 services district based on the relative
34 percentage of the district's applicable
35 title IV-E claims for the relevant period
36 as compared to applicable statewide title
37 IV-E claims for that period and other
38 circumstances that the office of children
39 and family services may consider in order
40 to allocate 100 percent of the federal
41 disallowance. The office of children and
42 family services shall apply each social
43 services district's error rate to the
44 total amount of the district's applicable
45 title IV-E claims including associated
46 administrative expenses. The resulting
47 dollar amounts for all of the social
48 services districts will be summed to
49 derive the total amount of title IV-E
50 claims deemed to be in error statewide. To
51 establish a disallowance percentage for

DEPARTMENT OF FAMILY ASSISTANCE

1 each social services district, the amount
2 of the district's title IV-E claims deemed
3 to be in error will be divided by the
4 amount of statewide title IV-E claims
5 deemed to be in error. The resulting
6 disallowance percentage for each district
7 will be applied to the entire title IV-E
8 extrapolated disallowance calculated by
9 the federal review to determine the amount
10 of the extrapolated disallowance for which
11 the district is responsible. Each district
12 will be credited for the amount already
13 disallowed for any individual children or
14 cases found to be in error during the
15 federal review. The exclusive appeal
16 rights for the review of the amount of the
17 federal disallowance assigned to each
18 social services district shall be pursuant
19 to article 78 of the civil practice laws
20 and rules; provided, however, that in any
21 such action all of the social services
22 districts shall be joined as necessary
23 parties and the venue of any such action
24 shall be in Rensselaer county. Any social
25 services district that fails to complete
26 its sample review in the required time
27 frames shall have no right to appeal and
28 shall not be a necessary party to any
29 action brought by another social services
30 district.

22 Notwithstanding any inconsistent provision of law and subject to the
23 approval of the director of budget, moneys hereby appropriated may

1 shall not exceed [~~\$19,630,606,000~~] \$19,726,075,000, but in no event
2 shall department of health state funds medicaid spending for the
3 period April 1, 2016 through [~~March 31~~] September 15, 2018 exceed
4 [~~\$38,409,118,000~~] \$38,504,587,000 provided, however, such aggregate
5 limits may be adjusted by the director of the budget to account for
6 any changes in the New York state federal medical assistance
7 percentage amount established pursuant to the federal social securi-
8 ty act, increases in provider revenues, reductions in local social
9 services district payments for medical assistance administration,
10 minimum wage increases and beginning April 1, 2012 the operational
11 costs of the New York state medical indemnity fund, pursuant to
12 chapter 59 of the laws of 2011, and state costs or savings from the
13 [~~basic health plan program~~] essential plan. Such projections may be
14 adjusted by the director of the budget to account for increased or
15 expedited department of health state funds medicaid expenditures as
16 a result of a natural or other type of disaster, including a govern-
17 mental declaration of emergency. The director of the budget, in
18 consultation with the commissioner of health, shall assess on a
19 monthly basis known and projected medicaid expenditures by category
20 of service and by geographic region, as determined by the commis-
21 sioner of health, incurred both prior to and subsequent to such
22 assessment for each such period, and if the director of the budget
23 determines that such expenditures are expected to cause medicaid
24 spending for such period to exceed the aggregate limit specified
25 herein for such period, the state medicaid director, in consultation
26 with the director of the budget and the commissioner of health,
27 shall develop a medicaid savings allocation plan to limit such
28 spending to the aggregate limit specified herein for such period.
29 Such medicaid savings allocation plan shall be designed, to reduce the
30 expenditures authorized by the appropriations herein in compliance
31 with the following guidelines: (1) reductions shall be made in
32 compliance with applicable federal law, including the provisions of
33 the Patient Protection and Affordable Care Act, Public Law No.
34 111-148, and the Health Care and Education Reconciliation Act of
35 2010, Public Law No. 111-152 (collectively "Affordable Care Act")
36 and any subsequent amendments thereto or regulations promulgated
37 thereunder; (2) reductions shall be made in a manner that complies
38 with the state medicaid plan approved by the federal centers for
39 medicare and medicaid services, provided, however, that the commis-
40 sioner of health is authorized to submit any state plan amendment or
41 seek other federal approval, including waiver authority, to imple-
42 ment the provisions of the medicaid savings allocation plan that
43 meets the other criteria set forth herein; (3) reductions shall be
44 made in a manner that maximizes federal financial participation, to
45 the extent practicable, including any federal financial partici-
46 pation that is available or is reasonably expected to become avail-
47 able, in the discretion of the commissioner, under the Affordable
48 Care Act; (4) reductions shall be made uniformly among categories of
49 services and geographic regions of the state, to the extent practi-
50 cable, and shall be made uniformly within a category of service, to
51 the extent practicable, except where the commissioner determines
52 that there are sufficient grounds for non-uniformity, including but

not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation plan; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation plan, to the extent that all or part of such plan, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation plan on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation plan subsequent to the provisions of notice and prior to implementation but need provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation plan is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as:

(i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation plan from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation plan, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any

5 for notice, approval or certification of rate requirements, notwith-
6 standing any provision of law, rule or regulation to the contrary,
7 including but not limited to sections 2807 and 3614 of the public
8 health law, section 18 of chapter 2 of the laws of 1988, and 18
9 NYCRR 505.14(h).

10 The department of health shall prepare a monthly report that sets
11 forth: (a) known and projected department of health medicaid expend-
12 itures as described in subdivision (1) of this section, and factors
13 that could result in medicaid disbursements for the relevant state
14 fiscal year to exceed the projected department of health state funds
15 disbursements in the enacted budget financial plan pursuant to
16 subdivision 3 of section 23 of the state finance law, including
17 spending increases or decreases due to: enrollment fluctuations,
18 rate changes, utilization changes, MRT investments, and shift of
19 beneficiaries to managed care; and variations in offline medicaid
20 payments; and (b) the actions taken to implement any medicaid
21 savings allocation plan implemented pursuant to subdivision (4) of
22 this section, including information concerning the impact of such
23 actions on each category of service and each geographic region of
24 the state. Each such monthly report shall be provided to the chairs
25 of the senate finance and the assembly ways and means committees and
26 shall be posted on the department of health's website in a timely
27 manner.

42 the budget, who shall file such approval with the department of
43 audit and control and copies thereof with the chairman of the senate
44 finance committee and the chairman of the assembly ways and means
45 committee.

1 ment of health state funds medicaid expenditures as a result of a
2 natural or other type of disaster, including a governmental declara-
3 tion of emergency. The director of the budget, in consultation with
4 the commissioner of health, shall assess on a monthly basis known
5 and projected medicaid expenditures by category of service and by
6 geographic region, as defined by the commissioner, incurred both
7 prior to and subsequent to such assessment for each such period, and
8 if the director of the budget determines that such expenditures are
9 expected to cause medicaid spending for such period to exceed the
10 aggregate limit specified herein for such period, the state medicaid
11 director, in consultation with the director of the budget and the
12 commissioner of health, shall develop a medicaid savings allocation
13 plan to limit such spending to the aggregate limit specified herein
14 for such period.

15 Such medicaid savings allocation plan shall be designed, to reduce the
16 expenditures authorized by the appropriations herein in compliance
17 with the following guidelines: (1) reductions shall be made in
18 compliance with applicable federal law, including the provisions of
19 the Patient Protection and Affordable Care Act, Public Law No.
20 111-148, and the Health Care and Education Reconciliation Act of
21 2010, Public Law No. 111-152 (collectively "Affordable Care Act")
22 and any subsequent amendments thereto or regulations promulgated
23 thereunder; (2) reductions shall be made in a manner that complies
24 with the state medicaid plan approved by the federal centers for
25 medicare and medicaid services, provided, however, that the commis-
26 sioner of health is authorized to submit any state plan amendment or
27 seek other federal approval, including waiver authority, to imple-
28 ment the provisions of the medicaid savings allocation plan that
29 meets the other criteria set forth herein; (3) reductions shall be
30 made in a manner that maximizes federal financial participation, to
31 the extent practicable, including any federal financial partici-
32 pation that is available or is reasonably expected to become avail-
33 able, in the discretion of the commissioner, under the Affordable
34 Care Act; (4) reductions shall be made uniformly among categories of
35 services and geographic regions of the state, to the extent practi-
36 cable, and shall be made uniformly within a category of service, to
37 the extent practicable, except where the commissioner determines
38 that there are sufficient grounds for non-uniformity, including but
39 not limited to: the extent to which specific categories of services
40 contributed to department of health medicaid state funds spending in
41 excess of the limits specified herein; the need to maintain safety
42 net services in underserved communities; or the potential benefits
43 of pursuing innovative payment models contemplated by the Affordable
44 Care Act, in which case such grounds shall be set forth in the medi-
45 caid savings allocation plan; and (5) reductions shall be made in a
46 manner that does not unnecessarily create administrative burdens to
47 medicaid applicants and recipients or providers.

48 The commissioner shall seek the input of the legislature, as well as
49 organizations representing health care providers, consumers, busi-
50 nesses, workers, health insurers, and others with relevant exper-
51 tise, in developing such medicaid savings allocation plan, to the
52 extent that all or part of such plan, in the discretion of the

1 commissioner, is likely to have a material impact on the overall
2 medicaid program, particular categories of service or particular
3 geographic regions of the state.

4 (a) The commissioner shall post the medicaid savings allocation plan
5 on the department of health's website and shall provide written
6 copies of such plan to the chairs of the senate finance and the
7 assembly ways and means committees at least 30 days before the date
8 on which implementation is expected to begin.

9 (b) The commissioner may revise the medicaid savings allocation plan
10 subsequent to the provisions of notice and prior to implementation
11 but need provide a new notice pursuant to subparagraph (i) of this
12 paragraph only if the commissioner determines, in his or her
13 discretion, that such revisions materially alter the plan.

14 Notwithstanding the provisions of paragraphs (a) and (b) of this
15 subdivision, the commissioner need not seek the input described in
16 paragraph (a) of this subdivision or provide notice pursuant to
17 paragraph (b) of this subdivision if, in the discretion of the
18 commissioner, expedited development and implementation of a medicaid
19 savings allocation plan is necessary due to a public health emergen-
20 cy.

21 For purposes of this section, a public health emergency is defined as:

22 (i) a disaster, natural or otherwise, that significantly increases
23 the immediate need for health care personnel in an area of the

25 exposure to a serious communicable disease, or the potential for
26 such widespread risk of exposure; or (iii) any other event or condi-
27 tion determined by the commissioner to constitute an imminent threat
28 to public health.

29 Nothing in this paragraph shall be deemed to prevent all or part of
30 such medicaid savings allocation plan from taking effect retroac-
31 tively to the extent permitted by the federal centers for medicare
32 and medicaid services.

33 In accordance with the medicaid savings allocation plan, the commis-
34 sioner of the department of health shall reduce department of health
35 state funds medicaid spending by the amount of the projected over-
36 spending through, actions including, but not limited to modifying or
37 suspending reimbursement methods, including but not limited to all
38 fees, premium levels and rates of payment, notwithstanding any
39 provision of law that sets a specific amount or methodology for any
40 such payments or rates of payment; modifying or discontinuing medi-
41 caid program benefits; seeking all necessary federal approvals,
42 including, but not limited to waivers, waiver amendments; and
43 suspending time frames for notice, approval or certification of rate
44 requirements, notwithstanding any provision of law, rule or regu-
45 lation to the contrary, including but not limited to sections 2807
46 and 3614 of the public health law, section 18 of chapter 2 of the
47 laws of 1988, and 18 NYCRR 505.14(h).

48 The department of health shall prepare a monthly report that sets
49 forth: (a) known and projected department of health medicaid expend-
50 itures as described in subdivision (1) of this section, and factors
51 that could result in medicaid disbursements for the relevant state

24 ~~[\$38,409,118,000]~~ \$38,504,587,000 provided, however, such aggregate

46 tor of the budget and the commissioner of health, shall develop a
47 medicaid savings allocation plan to limit such spending to the

6 chapter 59 of the laws of 2011, and state costs or savings from the
7 ~~[basic health plan]~~ essential plan. Such projections may be adjusted
8 by the director of the budget to account for increased or expedited
9 department of health state funds medicaid expenditures as a result
10 of a natural or other type of disaster, including a governmental
11 declaration of emergency. The director of the budget, in consulta-
12 tion with the commissioner of health, shall assess on a monthly
13 basis known and projected medicaid expenditures by category of
14 service and by geographic region, as determined by the commissioner
15 of health, incurred both prior to and subsequent to such assessment
16 for each such period, and if the director of the budget determines
17 that such expenditures are expected to cause medicaid spending for
18 such period to exceed the aggregate limit specified herein for such
19 period, the state medicaid director, in consultation with the direc-
20 tor of the budget and the commissioner of health, shall develop a
21 medicaid savings allocation plan to limit such spending to the

23 Such medicaid savings allocation plan shall be designed, to reduce the
24 expenditures authorized by the appropriations herein in compliance
25 with the following guidelines: (1) reductions shall be made in
26 compliance with applicable federal law, including the provisions of
27 the Patient Protection and Affordable Care Act, Public Law No.
28 111-148, and the Health Care and Education Reconciliation Act of
29 2010, Public Law No. 111-152 (collectively "Affordable Care Act")
30 and any subsequent amendments thereto or regulations promulgated
31 thereunder; (2) reductions shall be made in a manner that complies
32 with the state medicaid plan approved by the federal centers for
33 medicare and medicaid services, provided, however, that the commis-
34 sioner of health is authorized to submit any state plan amendment or
35 seek other federal approval, including waiver authority, to imple-
36 ment the provisions of the medicaid savings allocation plan that
37 meets the other criteria set forth herein; (3) reductions shall be
38 made in a manner that maximizes federal financial participation, to
39 the extent practicable, including any federal financial partici-
40 pation that is available or is reasonably expected to become avail-
41 able, in the discretion of the commissioner, under the Affordable
42 Care Act; (4) reductions shall be made uniformly among categories of
43 services and geographic regions of the state, to the extent practi-
44 cable, and shall be made uniformly within a category of service, to
45 the extent practicable, except where the commissioner determines
46 that there are sufficient grounds for non-uniformity, including but
47 not limited to: the extent to which specific categories of services
48 contributed to department of health medicaid state funds spending in
49 excess of the limits specified herein; the need to maintain safety
50 net services in underserved communities; or the potential benefits
51 of pursuing innovative payment models contemplated by the Affordable

1 caid savings allocation plan; and (5) reductions shall be made in a
2 manner that does not unnecessarily create administrative burdens to
3 medicaid applicants and recipients or providers.

4 The commissioner shall seek the input of the legislature, as well as
5 organizations representing health care providers, consumers, busi-
6 nesses, workers, health insurers, and others with relevant exper-
7 tise, in developing such medicaid savings allocation plan, to the
8 extent that all or part of such plan, in the discretion of the
9 commissioner, is likely to have a material impact on the overall
10 medicaid program, particular categories of service or particular
11 geographic regions of the state.

12 (a) The commissioner shall post the medicaid savings allocation plan
13 on the department of health's website and shall provide written
14 copies of such plan to the chairs of the senate finance and the
15 assembly ways and means committees at least 30 days before the date
16 on which implementation is expected to begin.

17 (b) The commissioner may revise the medicaid savings allocation plan
18 subsequent to the provisions of notice and prior to implementation
19 but need provide a new notice pursuant to subparagraph (i) of this
20 paragraph only if the commissioner determines, in his or her
21 discretion, that such revisions materially alter the plan.

22 Notwithstanding the provisions of paragraphs (a) and (b) of this
23 subdivision, the commissioner need not seek the input described in
24 paragraph (a) of this subdivision or provide notice pursuant to
25 paragraph (b) of this subdivision if, in the discretion of the
26 commissioner, expedited development and implementation of a medicaid
27 savings allocation plan is necessary due to a public health emergen-
28 cy.

29 For purposes of this section, a public health emergency is defined as:

30 (i) a disaster, natural or otherwise, that significantly increases
31 the immediate need for health care personnel in an area of the
32 state; (ii) an event or condition that creates a widespread risk of
33 exposure to a serious communicable disease, or the potential for
34 such widespread risk of exposure; or (iii) any other event or condi-
35 tion determined by the commissioner to constitute an imminent threat
36 to public health.

37 Nothing in this paragraph shall be deemed to prevent all or part of
38 such medicaid savings allocation plan from taking effect retroac-
39 tively to the extent permitted by the federal centers for medicare
40 and medicaid services.

41 In accordance with the medicaid savings allocation plan, the commis-
42 sioner of the department of health shall reduce department of health
43 state funds medicaid spending by the amount of the projected over-
44 spending through, actions including, but not limited to modifying or
45 suspending reimbursement methods, including but not limited to all
46 fees, premium levels and rates of payment, notwithstanding any
47 provision of law that sets a specific amount or methodology for any
48 such payments or rates of payment; modifying medicaid program bene-
49 fits; seeking all necessary federal approvals, including, but not
50 limited to waivers, waiver amendments; and suspending time frames
