2017-2018 Regular Sessions

IN SENATE

January 12, 2017

Introduced by Sens. GRIFFO, BONACIC, ORTT, SERINO, YOUNG -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to the computation of foundation aid and addition of credit recovery aid for the Maisto Districts; to amend the local finance law, in relation to calculation of the period of probable usefulness regarding payment for Maisto Districts credit recovery aid; to amend the public authorities law, in relation to contracts between the dormitory authority and the Maisto Districts or the New York state association of small city school districts; and to amend the state finance law, in relation to establishing the credit recovery financing reserve fund

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent: It is the responsibility of the legis-
2 lature under article XI of the constitution of the state of New York to
3 establish and maintain a system that will provide all children an oppor-
4 tunity to receive a meaningful high school education. As a result of
5 trial in State Supreme Court of Maisto, et al. v State of New York it is
6 clear that resources sufficient to offer that education in eight small
7 city school districts, known as the Maisto Districts, are not being
8 provided to those districts under current education law. Therefore, it
9 is the intention of the legislature to amend certain provisions of the
10 education law to ensure that the necessary funding is available in those
11 districts to help them provide all their children an opportunity to
12 receive a meaningful high school education and to maintain healthy
13 vibrant educational communities that underpin a thriving state economy.
14 § 2. This legislation shall be known and may be cited as "the Maisto
15 District successful schools act".

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
