§ 7. Article 8 of the election law is amended by adding a new title 6 to read as follows:

TITLE VI

EARLY VOTING

Section 8-600. Early voting.

8-602. State board of elections; powers and duties for early voting.

§ 8-600. Early voting. 1. Beginning the eighth day prior to any general, primary or special election for any public or party office, and ending on and including the second day prior to such general, primary or special election for such public or party office, persons duly registered and eligible to vote at such election shall be permitted to vote as provided in this title. The board of elections of each county and the city of New York shall establish procedures, subject to approval of the state board of elections, to ensure that persons who vote during the early voting period shall not be permitted to vote subsequently in the same election.

2. (a) The board of elections of each county or the city of New York shall designate polling places for early voting in each county, which may include the offices of the board of elections, for persons to vote early pursuant to this section. There shall be so designated at least one early voting polling place for every full increment of fifty thousand registered voters in each county; provided, however, the number of early voting polling places in a county shall not be required to be greater than seven, and a county with fewer than fifty thousand voters shall have at least one early voting polling place.

(b) The board of elections of each county or the city of New York may establish additional polling places for early voting in excess of the minimum number required by this subdivision for the convenience of eligible voters wishing to vote during the early voting period.

(c) Notwithstanding the minimum number of early voting poll sites otherwise required by this subdivision, for any primary or special election, upon majority vote of the board of elections, the number of early voting sites may be reduced if the board of elections reasonably determines a lesser number of sites is sufficient to meet the needs of early voters.

(d) Polling places for early voting shall be located to ensure, to the extent practicable, that eligible voters have adequate equitable access, taking into consideration population density, travel time to the polling place, proximity to other locations or commonly used transportation routes and such other factors the board of elections of the county or the city of New York deems appropriate. The provisions of section 4-104 of this chapter, except subdivisions four and five of such section, shall apply to the designation of polling places for early voting except to the extent such provisions are inconsistent with this section.

3. Any person permitted to vote early may do so at any polling place for early voting established pursuant to subdivision two of this section in the county where such voter is registered to vote. Provided, however, (a) if it is impractical to provide each polling place for early voting all appropriate ballots for each election to be voted on in the county, or (b) if permitting such persons to vote early at any polling place established for early voting would make it impractical to ensure that such voter has not previously voted early during such election, the board of elections may designate each polling place for early voting only for those voters registered to vote in a portion of the county to be served by such polling place for early voting, provided that all voters in each county shall have one or more polling places at which they are eligible to vote throughout the early voting period on a substantially equal basis.

4. (a) Polls shall be open for early voting for at least eight hours between seven o'clock in the morning and eight o'clock in the evening each week day during the early voting period.

(b) At least one polling place for early voting shall remain open until eight o'clock in the evening on at least two week days in each calendar week during the early voting period. If polling places for early voting are limited to voters from certain areas pursuant to subdivision three of this section, polling places that remain open until eight o'clock shall be designated such that any person entitled to vote early may vote until eight o'clock in the evening on at least two week days during the early voting period.

(c) Polls shall be open for early voting for at least five hours between nine o'clock in the morning and six o'clock in the evening on each Saturday, Sunday and legal holiday during the early voting period.

1 (d) Nothing in this section shall be construed to prohibit any board
2 of elections from establishing a greater number of hours for voting
3 during the early voting period beyond the number of hours required in
4 this subdivision.

5 (e) Early voting polling places and their hours of operation for early
6 voting at a general election shall be designated by May first of each
7 year pursuant to subdivision one of section 4-104 of this chapter.
8 Notwithstanding the provisions of subdivision one of section 4-104 of
9 this chapter requiring poll site designation by May first, early voting
10 polling places and their hours of operation for early voting for a
11 primary or special election shall be made not later than forty-five days
12 before such primary or special election.

13 5. Each board of elections shall create a communication plan to inform
14 eligible voters of the opportunity to vote early. Such plan may utilize
15 any and all media outlets, including social media, and shall publicize:
16 the location and dates and hours of operation of all polling places for
17 early voting; an indication of whether each polling place is accessible
18 to voters with physical disabilities; a clear and unambiguous notice to
19 voters that if they cast a ballot during the early voting period they
20 will not be allowed to vote election day; and if polling places for
21 early voting are limited to voters from certain areas pursuant to subdi-
22 vision three of this section, the location of the polling places for
23 early voting serving the voters of each particular city, town or other
24 political subdivision.

25 6. The form of paper ballots used in early voting shall comply with
26 the provisions of article seven of this chapter that are applicable to
27 voting by paper ballot on election day and such ballot shall be cast in
28 the same manner as provided for in section 8-312 of this article,
29 provided, however, that ballots cast during the early voting period
30 shall be secured in the manner of voted ballots cast on election day and
31 such ballots shall not be canvassed or examined until after the close of
32 the polls on election day, and no unofficial tabulations of election
33 results shall be printed or viewed in any manner until after the close
34 of polls on election day.

35 7. Voters casting ballots pursuant to this title shall be subject to
36 challenge as provided in sections 8-500, 8-502 and 8-504 of this arti-
37 cle.

38 8. Notwithstanding any other provisions of this chapter, at the end of
39 each day of early voting, any early voting ballots that have not been
40 scanned because a ballot scanner was not available or because the ballot
41 has been abandoned by the voter at the ballot scanner shall be cast in a
42 manner consistent with section 9-110 of this chapter, except that such
43 ballots which cannot then be cast on a ballot scanner shall be held
44 inviolate and unexamined and shall be duly secured until after the close
45 of polls on election day when such ballots shall be examined and
46 canvassed in a manner consistent with subdivision two of section 9-110
47 of this chapter.

48 9. The board of elections shall secure all ballots and scanners used
49 for early voting from the beginning of the early voting period through
50 the close of the polls on election day; provided, however, the state
51 board of elections may by regulation duly adopted by a majority of such
52 board establish a procedure whereby ballot scanners used for early
53 voting may also be used on election day if the portable memory devices
54 used during early voting containing the early voting election informa-
55 tion and vote tabulations are properly secured apart from the scanners.

1 and the results therefrom shall be duly canvassed after the close of
2 polls on election day.

3 10. After the close of polls on election day, inspectors or board of
4 elections employees appointed to canvass ballots cast during early
5 voting shall follow all relevant provisions of article nine of this
6 chapter that are not inconsistent with this section, for canvassing,
7 processing, recording, and announcing results of voting at polling plac-
8 es for early voting, and securing ballots, scanners, and other election
9 materials. Such canvass may occur at the offices of the board of
10 elections, at the early voting polling place or such other location
11 designated by the board of elections.

12 11. Notwithstanding the requirements of this title requiring the
13 canvass of ballots cast during early voting after the close of polls on
14 election day, such canvass may begin one hour before the scheduled close
15 of polls on election day provided the board of elections adopts proce-
16 dures to prevent the public release of election results prior to the
17 close of polls on election day and such procedures shall be consistent
18 with the regulations of the state board of elections and shall be filed
19 with the state board of elections at least thirty days before they shall
20 be effective.

21 § 8-602. State board of elections; powers and duties for early voting.
22 Any rule or regulation necessary for the implementation of the
23 provisions of this title shall be promulgated by the state board of
24 elections provided that such rules and regulations shall include
25 provisions to ensure that ballots cast early, by any method allowed
26 under law, are counted and canvassed as if cast on election day. The
27 state board of elections shall promulgate any other rules and regu-
28 lations necessary to ensure an efficient and fair early voting process
29 that respects the privacy of the voter. Provided, further, that such
30 rules and regulations shall require that the voting history record for
31 each voter be continually updated to reflect each instance of early
32 voting by such voter.

33 § 8. This act shall take effect on the first of January next succeed-
34 ing the date on which it shall have become a law and shall apply to any
35 election held 120 days or more after it shall have taken effect.
