§ 3641-c. School-to-pantry donation credit. 1. The commissioner shall 4 create a school-to-pantry donation credit in which any school may donate 5 products generated by its farm or garden to a local food pantry, or equivalent organization, so long as that product meets any applicable federal, state, or local health and safety requirements for the production or processing of the product. However, if donations consist only of fresh whole uncut fruits and vegetables, clean and properly refrigerated at forty-five degrees Fahrenheit or less eggs, grains and legumes, or honey and maple syrup then donor schools and their products will be subject to such regulations as may apply to a direct marketing business as contained in article seventeen of the agriculture and markets law.

- 2. Donor schools shall submit record of the product type donated and 16 the total weight of each product type accepted by the food pantry to the commissioner. Such record must be validated by the donee food pantry and submitted no later than October thirty-first of each calendar year.
- 19 3. For each type of product donated the commissioner shall calculate a 20 donation credit for each donor school that submits record in compliance 21 with this section following the formula herein:

A=(P*Y)*E

"A" is the credit amount to be given to the donor school. "P" is the 23 24 pounds of goods of a specific type accepted by a donee food pantry. 25 is the yield factor for a specific type of goods as determined by the

United States department of agriculture economic research service, if any. "E" is the average retail price of a specific type of goods as determined by the United States department of agriculture economic 3 4 <u>research service</u>.

- 4. The most recent United States department of agriculture economic research service data shall be used for each type of goods. If the United States department of agriculture economic research service has not published data for a given type of goods, then data on the most reasonably similar type of goods will be used.
- 5. Any credits due a donor school shall be paid during the calendar 11 year after the commissioner receives records of the donation. The credit amount shall, to the extent funds are available, be included in any 12 payments due to the donor school according to the payment schedule found 13 14 in subparagraph three of paragraph b of subdivision one of section thir-15 ty-six hundred nine-a of the education law. If no such payments are due, 16 the school shall be paid the value of such credits on or before October 17 fifteenth of each calendar year.
- § 2. This act shall take effect on the ninetieth day after it shall 18 19 have become a law; provided that the commissioner of education is 20 authorized to promulgate any rules and regulations necessary to implement this act on or before its effective date.
