AN ACT to amend the vehicle and traffic law, in relation to compliance with the federal Real ID Act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known, and may be cited as the "New York
2 Remembers Act".

3 § 2. Legislative intent. The legislature hereby finds and declares the
4 following:

5 (a) That the federal Real ID Act, which was passed by Congress and
6 signed into law in 2005, is a coordinated effort by the states and
7 federal government, intended to improve the reliability and accuracy of
8 state-issued identification documents, which serve to inhibit a terror-
9 ist's ability to evade detection by using fraudulent identification;

10 (b) That the standards established by the federal Real ID Act resulted
11 from a Congressional study investigating the various factors which led
12 to the horrific tragedy that occurred on September 11, 2001;

13 (c) That in addition to developing tamper proof technologies within
14 the identification card itself, states were directed to initiate a proc-
15 ess whereby the documentation submitted by an individual applying for a
16 state issued driver's license could be verified as authentic;

17 (d) That the verification requirement was meant to ensure that terror-
18 ists were not issued identification cards based on the proffering of
19 forged or otherwise fake documentation;

20 (e) That after ten years of non-compliance, the department of motor
21 vehicles applied for, and received a one-year compliance waiver from the
22 federal government;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 (f) That in addition to the security threat that further delay
2 presents, failure to comply could result in New Yorkers being denied
3 admittance to airports, federal facilities and military bases as soon as
4 October 2016; and

5 (g) That it is the intent of this legislature, by and through enact-
6 ment of this act, to meet or exceed the document and issuance standards
7 set forth in the federal Real ID Act of 2005 (Public Law 109-13), in
8 order to ensure the safety and security of our great state, and to
9 provide New Yorkers with a federally recognized and acceptable driver's
10 license.

11 § 3. Section 502 of the vehicle and traffic law is amended by adding a
12 new subdivision 1-a to read as follows:

13 1-a. Compliance with federal Real ID Act. (a) Notwithstanding any
14 provision of law, rule or regulation to the contrary, that in the issu-
15 ance of a driver's license under this chapter, the department shall only
16 issue or reissue upon application for renewal or replacement, driver's
17 licenses which comply with section 202 of title II of the federal Real
18 ID Act of 2005 (Public Law 109-13) and which are acceptable for federal
19 purposes.

20 (b) Notwithstanding any provision of law, rule or regulation to the
21 contrary, upon the submission and verification of proper documentation,
22 the department shall reissue to any current licensee possessing a valid,
23 but non-compliant state issued license, a driver's license which is
24 compliant with the federal Real ID Act and which is acceptable for
25 federal purposes. The department may not charge any fee or surcharge
26 for the reissuance of any license pursuant to this paragraph.

27 (c) On December first of each year, the department shall submit a
28 report to the governor and the legislature detailing any additional
29 costs to the state resulting from compliance with the federal Real ID
30 Act (Public Law 109-13), in order for the state to request reimbursement
31 from the federal government.

32 § 4. The vehicle and traffic law is amended by adding a new section
33 504-a to read as follows:

34 § 504-a. Compliance with federal law. The commissioner shall undertake
35 a review of all applicable federal laws and regulations, concerning the
36 issuance of driver's licenses and vehicle registrations, and shall issue
37 a report to the governor and legislature, on or before December first of
38 each year, detailing the status of New York's compliance with each and
39 every applicable federal law or regulation. The report shall expressly
40 identify any portion of federal law or regulation with which New York
41 state is not presently fully complying with, and shall state any and all
42 reasons for the failure of the department to comply.

43 § 5. This act shall take effect on the one hundred twentieth day after
44 it shall have become a law. Effective immediately, the department of
45 motor vehicles shall begin promulgating rules and regulations to effec-
46 tuate the provisions of this act.
