2017-2018 Regular Sessions

IN SENATE

February 16, 2017

Introduced by Sen. HELMING -- (at request of the Legislative Commission on Rural Resources) -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to directing the commissioner of health to make recommendations relating to increasing certain ambulatory patient group reimbursement rates

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 2-a of section 2807 of the public health law is
2 amended by adding a new paragraph (j) to read as follows:

3 (j) The commissioner shall, in conjunction with hospital industry
4 representatives, provide written recommendations to the governor and the
5 legislature on or before October first, two thousand seventeen, on
6 increasing ambulatory patient groups reimbursement rates established
7 pursuant to this subdivision for general hospital outpatient services,
8 general hospital emergency services, diagnostic and treatment center
9 services and ambulatory surgical services, provided by rural hospitals
10 designated as critical access hospitals in accordance with title XVIII
11 of the federal social security act. Such recommendations shall take into
12 consideration the increased costs of providing such services in rural
13 areas as well as the need to maintain access to such services in rural
14 areas. In addition, the recommendations shall contain proposed legis-
15 lation, for incorporation into the state budget for the two thousand
16 eighteen--two thousand nineteen fiscal year, to effectuate rate
17 increases effective April first, two thousand eighteen.

18 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
