AN ACT to amend the public service law, in relation to allowing public utilities to purchase, own and operate small wind turbines and solar photovoltaic systems

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public service law is amended by adding a new section  
2 66-i to read as follows:

3 § 66-i. Purchase of wind turbines. 1. Commencing September first, two  
4 thousand seventeen, a public utility company may purchase small wind  
5 turbines and solar photovoltaic systems. Such companies may operate the  
6 wind turbines and solar photovoltaic systems on land that is owned, or  
7 accessible to, the public utility company. The turbines and systems  
8 shall be directly connected to the public utility's electric grid.

9 2. Any wind turbine or solar photovoltaic system purchased and  
10 installed by a public utility company must comply with all local laws  
11 and ordinances, including, but not limited to:

12 (a) height requirements;

13 (b) noise restrictions;

14 (c) safety procedures;

15 (d) specified allotment of equipment on a specific parcel of land; and

16 (e) the use of certified individuals for the installation and  
17 connection of the equipment.

18 3. All turbines and systems purchased and installed pursuant to this  
19 section must be approved by the local municipality in which such  
20 turbines and systems are being operated.

21 § 2. This act shall take effect on the one hundred twentieth day after  
22 it shall have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
