1 contributing pursuant to this section who transferred to the division of
2 state police.

3 (3) (a) Deputy sheriff, county corrections, or state corrections
4 service. Upon completion of more than seventeen years of service, each
5 such member who was previously credited with service credit in the New
6 York state and local employees' retirement system as a deputy sheriff,
7 county corrections officer, or member in the uniformed personnel in
8 institutions under the jurisdiction of the department of corrections and
9 community supervision as defined in subdivision i of section eighty-nine
10 of this chapter and who was engaged directly in law enforcement activ-
11 ities while performing such services shall receive one year of service
12 credit for each such year of previous service, up to a total of no
13 greater than three years of previous service credit.

14 (b) To obtain such credit, a member shall pay such retirement system,
15 for deposit in the fund used to accumulate employer contributions, a sum
16 equal to the product of the number of years of police service being
17 claimed and three percent of such member's compensation earned during
18 the twelve months of credited service immediately preceding the date
19 that the member made application for credit pursuant to this section. If
20 permitted by rule or regulation of the retirement system, the member may
21 pay such member costs by payroll deduction for a period which shall not
22 exceed the time period of police service to be credited pursuant to this
23 section. In the event the member leaves the employer payroll prior to
24 completion of payment, he or she shall forward all remaining required
25 payments to the appropriate retirement system prior to the effective
26 date of retirement. If the full amount of such member costs is not paid
27 to the appropriate retirement system prior to the member's retirement,
28 the amount of service credited shall be proportional to the total amount
29 of the payments made prior to retirement.

30 (c) In no event shall the credit granted pursuant to this paragraph,
31 when added to credit granted for police service with any retirement
32 system of this state pursuant to this or any other provision of law,
33 exceed a total of three years.

34 (d) To be eligible to receive credit for police service under this
35 paragraph, a member must make application for such credit before the
36 effective date of retirement.

37 (e) All costs for service credited to a member pursuant to this para-
38 graph, other than the member costs set forth in subparagraph (b) of this
39 paragraph, shall be paid by the state.

40 (f) Notwithstanding any other provision of law, in the event of death
41 prior to retirement, amounts paid by the member for the purchase of
42 police service credit pursuant to this paragraph shall be refunded, with
43 interest, to the extent the police service purchased with such amounts
44 does not produce a greater death benefit than would have been payable
45 had the member not purchased such credit.

46 (g) Notwithstanding any other provision of law, in the event of
47 retirement, amounts paid by the member for the purchase of police
48 service credit pursuant to this section shall be refunded, with inter-
49 est, to the extent the police service purchased with such amounts does
50 not produce a greater retirement allowance than would have been payable
51 had the member not purchased such credit.

52 (h) In the event the service credit granted pursuant to this para-
53 graph, when added to a members current service credit, renders he or she
54 eligible for service retirement, such member shall be deemed eligible
55 for such service retirement and may elect to retire under the rules set
56 forth by the retirement system.

1 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow up to three (3) years of service credit for service rendered as a deputy sheriff, county correction or state correction to be creditable to State Police officers. Such officers must have at least seventeen years of credited service and would be required to make a payment of three percent of their most recent compensation per year of additional service credit being purchased under the provisions of this bill.

If this bill is enacted, it is estimated that the past service cost will average approximately 19% of an affected officers' compensation for each year of additional service credit that is purchased and will be borne entirely by the State of New York.
